## "Plus 2"

Everybody talks about soft sin-  
gles sales, but nobody does any-  
thing about it.

The above statement applied to  
our industry until a few weeks ago  
when the Warner Brothers Record  
Company courageously and no  
doubt at great expense issued its  
first "Plus 2" disk—a single includ-  
ing two abbreviated oldies offering  
the consumer a plus feature de-  
signed to combat lagging single  
sales.

In an effort to push the idea over  
the hill, the company has gone all  
the way and has announced that  
henceforth, all its singles will be  
issued in "Plus 2" fashion.

Whether the idea succeeds or  
not, Warner Brothers deserves a  
vote of thanks from every phase of  
the industry for taking the great  
chance such a move requires.

At present we can report that  
the initial reaction to the first "Plus  
2" effort, the Everly Brothers'  
"Don't Blame Me" b/w "Muskrat"  
(and the two short oldies) has been  
healthy with "Don't Blame Me"  
breaking into the #77 slot and  
"Muskrat" catching in the #100  
spot. Of course this is no indication  
that the idea is home. As a matter of  
fact it will be difficult to tell from  
any one or even a few records  
whether the idea is a method of in-  
creasing singles sales. For the in-  
creased expense involved in pro-  
ducing "Plus 2's," the company  
estimates it will have to do an in-  
creased volume of between 12 to  
15%. It is obvious that the "Plus

2" idea may not be at fault, but per-  
haps the material is a bit weaker  
and therefore sales may not reach  
their anticipated mark. It will take  
time and many, many records to  
determine the merit of the idea and  
we give credit to Warner Brothers  
for every day it sticks with it.

Warner Brothers has examined  
every angle before making the de-  
cision to issue all its new singles in  
"Plus 2" fashion. For the juke box  
ops who still have boxes featuring  
an EP section, the "Plus 2" disk is  
an excellent buy since the regular  
selection and the abbreviated num-  
ber take less time than two bands of  
a regular EP. Ops can use the  
"Plus 2" as an EP, purchasing it at  
a lower price.

For those ops not interested in  
EP's, WB has stated that it is pre-  
pared to make regular singles of its  
hits.

It will be interesting to note what  
teenager reaction is to the "Plus  
2." From experience in the retail  
picture, we know that teen buyers  
frequently do not come into a store  
or approach a rack with only one  
record in mind. Usually there are  
two or more favorites from which  
the consumer must make a choice.  
When and if the Everly's click  
heads up into the higher brackets,  
it will be interesting to stand behind  
a counter and witness whether or  
not the "Plus 2" factor sways any  
buyers to the Everly's disk.

The entire industry is waiting to  
see what the reaction will be to the  
Warner "Plus 2" releases.

## Pick of the Week

"FOOL #1" (2:22) [Sure-Fire BMI—Fulton]  
"ANYBODY BUT ME" (2:22) [Champion BMI—Self, Albritten]  
BRENDA LEE (Decca 31309)

The young lark's fabulous hit skein, which now includes her "Dum Dum"—"Eventually" duo, should soon have two more additions in "Fool #1" and "Anybody But Me." Former's from the shuffleballad school while the latter falls into the rock-a-rhythm blues category. Top calibre support from the Owen Bradley aggregation.

"TOWER OF STRENGTH" (2:14) [Famous ASCAP—Hilliard, Bachrach]  
"THE SECRET" (2:20) [Daywin BMI—Lubin, Roth]  
GENE McDANIELS (Liberty 55371)

"Tower Of Strength" is a cinch to make it three-in-a-row for McDaniels (who now owns two biggies in "Hundreds Pounds Of Clay" and "A Tear"). Gene (and the Johnny Mann Singers) does a great job on the vocal end of a deck that sports a fabulous Snuff Garrett arrangement. It's loaded with ultra-commercial gimmicks (including some trombone bits). The warm, cha cha beat up-dating of the while-back click (for Gordon McRae and the Gainors), "The Secret," cannot be sold short. It also has the chart goods.

"PLEASE DON'T GO" (2:13) [Alan K BMI—Lapham]  
"I DIDN'T FIGURE ON HIM (TO COME BACK)" (2:00) [Alan K BMI—Lapham]  
RAL DONNER (Gone 5114)

Chances are Ral Donner'll repeat his "You Don't Know What You've Got" and "Girl Of My Best Friend" chart triumphs with his newest Gone slice, "Please Don't Go." It's an infectious beat-ballad pleader that the chorus-backed songster delivers with hip-swinging authority. More top teen sounds on the haunting rock-a-rhythm coupler. Watch it, too!

"WANTED, ONE GIRL" (2:30) [Aldon BMI—Ruben, Koppleman, Keller]  
"SOMETHING, A LITTLE BIT DIFFERENT" (2:26) [Aldon BMI—Adler, Berry, Torrence]  
JAN & DEAN (Challenge 9120)

Jan & Dean, who bounced back in a big chart way with their revival of "Heart And Soul," can do even bigger business this time out. It's a clever teen lyric rocker, tabbed "Wanted, One Girl," that sports a host of smash vocal and musical tricks. Watch it zoom way up there. Coupler's exactly what the title implies, "Something, A Little Bit Different." It's a real house-rocker with a terrific opening gimmick.

"WHY NOT NOW" (2:25) [Selma BMI—Greer, Ling]  
"LOVE IS THE SAME ANYWHERE" (2:04) [Selma BMI—Phillips]  
MATT MONRO (Warwick 669)

The English hit-maker, who stepped into the limelite over here with "My Kind Of Girl," should easily continue his success with "Why Not Now." It's a beautiful, soft cha cha-bolero-like up-dating of the familiar "Ay Ay Ay Ay." Could go all the way. "Love Is The Same Anywhere" is a charming light-swing affair. Fine Johnnie Spence ork assist on this two-sided programming must.

"DANCE WITH A DOLLY" (2:35) [Shapiro, Bernstein ASCAP—Eaton, Shand, Leader]  
"YOU'RE NOBODY 'TILL SOMEBODY LOVES YOU" (2:55) [Southern ASCAP—Stock, Morgan, Cavanaugh]  
DAMITA JO (Mercury 71871)

The fabulous song stylist comes thru with a powerhouse follow-up to her "I'll Be There" chart romance. This one is the oldie (culled by request from her "I'll Save The Last Dance For You" LP), "Dance With A Dolly," that gallops along at a sizzling rock-a-string tempo-supplied by Stan Applebaum's ork. Another sturdy, "You're Nobody 'Till Somebody Loves You," starts off in slow blues style and builds to a pull-out-all-the-stops finish. Tune, a sensation in the gal's nite club act, can also become a big wax favorite. Great pairing.

"UP TO MY EARS (IN TEARS)" (2:18) [Bamboo BMI—Ross, Landau]  
"SWEET LORRAINE" (2:29) [Mills ASCAP—Parish, Burwell]  
DONNIE BROOKS (Era 3059)

"Up To My Ears (In Tears)" is a delectable rock-a-twist spoof of the current hit-makers who are crying their way thru their chart-makers. Could be another hit for Brooks, who mentions Faron Young, Slim Harpo, Dee Clark, Timi Yuro and the Fleetwoods among others in this rock-fun rib. Stellar Hank Levine arrangement. Flipside Donnie and chorus shuffle-rock revive "Sweet Lorraine" in teen-appealing style.

PANCHO VILLA (Arliss 1010)

(B) "BOBBY'S GUITAR" (2:03) [Jason BMI—Villa, Bennett] Bouncy blues-styled instrumental topped, naturally, by the guitarist.

RONNIE DAWSON (Maverick 101)

(B+) "MY BIG DESIRE" (2:12) [Stoddard & Song BMI—Montgomery, Dawson] Performer Dawson packs a solid teen-beat punch in his essay of the rockin' love-found ditty. He receives a strong busy-beat combo-chorus backdrop. Session from the Dallas, Tex. diskery could move.

(B) "HOW CAN WE TELL HER" (2:12) [Big D & Glendell BMI—Montgomery, Dawson] Songster does a pleasing job on the pretty plaintive (strings are included here).

BOBBY COMSTOCK (Festival 25000)

(B+) "THE GARDEN OF EDEN" (2:31) [Republic ASCAP—Norwood] The years-back Joe Valino click returns in good-sounding rock-directed fashion, with Comstock doing a sometimes multi-tracked stint. String-included backing, with chorus, is semi-dramatic. King distributed the diskery.

(B) "JUST A PIECE OF PAPER" (2:17) [Medal BMI—Edwards, DeAngelis] This pose has something of Tony Orlando's "Bless You."

LITTLE LINDA (Coral 62286)

JACK KELLER (Capitol 4630)

(B+) "BE CAREFUL HOW YOU DRIVE YOUNG JOEY" (2:41) [Starfire BMI—Richards, Meshel] Fella didn't listen to his gal's father's advice, and just manages to avert tragedy in a drag race. This theme is presented with a bright, sometimes narrated, sound by singer Keller and his combo-chorus support.

(B) "NEVER WAKE UP" (2:38) [Trinity BMI—Barry] Attractive light-beat affectionate outing for the kids.

BARBARA EVANS (Pioneer 71874)

(B) "FLASHLIGHT OF LOVE" (1:54) [Pok-Van BMI—Colacrai, Wayne] Cute teen-beat novelty about an usherette and usher who, while on-the-job, communicate between each other via their flashlights. A apt sprightly combo-chorus sound supports the lark's bouncy essay.

(B) "DANNY'S TOY RING" (2:45) [Vanno ASCAP—Alters, Diamond, Vance] Performer hands-in a sensitive portrayal of a soft-spoken folk-type ballad about a love that didn't pan out.

DORSEY BURNETTE (Dot 16265)

(B+) "FEMININE TOUCH" (2:30) [Doral BMI—Burnette] The chart-experience songster (e.g. "Tall Oak Tree") does a pro semi-belt essay of a ditty which is a reminder of the recent Gene McDaniels' smash, "100 Pounds of Clay." Potent rock-a-string- & chorus sound supports.

(B) "SAD BOY" (2:50) [Doral & Studio BMI—Burnette, Nelson] Performer brings lots of feeling to this poignant teen lost-love opus.

CHICK & RICK (Kenco 5018)

(B+) "BACK TO SCHOOL (Summer's Through)" (2:15) [Aldon BMI—Rubin, Koppelman] This timely novelty rock-a-cha-cha that bows Chick & Rick could be a topic of teen conversation in the coming weeks. Kids'll dig the lyrics. Keep tabs on it.

(B) "DEAR MR. TV PRIVATE EYE" (2:02) [Aldon BMI—Koppelman, Rubin] This end's another catchy cha-cha ditty from the duo.

JOHN LEE HOOKER (Vee Jay 397)

(B+) "TAKE ME AS I AM" (3:02) [Conrad BMI—Hooker] Here is the blues star at his down-trodden best as he weaves a spellbinding mood around romantic loneliness. It's the most compelling Hooker disk in a long while and should stand him well in the right areas.

(B+) "WANT AD BLUES" (2:16) [Conrad BMI—Hooker] A rolling upbeat stand on one of his familiar circumstance blues is wailed effectively by the star here. Guitar excitement too.

PIERO SOFFICI (Jubilee 5409)

(B+) "THEME FOR MY TRUE LOVE (L'Erba Canta)" (2:17) [Southern ASCAP—Skylar, Soffici, Beretta] This is pretty string-filled ork stylings, arranged on the order of Percy Faith's "Theme from a Summer Place" triumph. It makes for inviting mood-directed listening.

(B) "WHERE ARE YOU NOW? (Een Een Allen)" (2:25) [Peer International BMI—Miller, Van Maas, Dunk] Same comments apply to this instrumental.

RICHARD HAYES (Columbia 42159)

(B) "FAMILIAR" (2:15) [Abilene ASCAP—Weiss] Classy romantic receives an interesting outing, with the fine warbler delivering against a striking Latinish rock-a-string arrangement. Can be favored by lots of deejays.

(B) "CORA BELLE" (2:05) [B.F. Wood ASCAP—Unger, Seneca] Happy-sounding portrayal of a folkish ditty with a Civil war format.

## Pick of the Week

"THE WEDDING (LA NOVIA)" (2:38) [Regent BMI—Jay, Prieto]  
"SEVEN KINDS OF LONESOME" (2:33)

[Post ASCAP—David, Garson]

ANITA BRYANT (Columbia 42148)

"The Wedding," an English lyric version of the big import from South American, "La Novia," can give the thrush a first-time-out on Columbia chart affair. It's an extremely pretty opus that Anita caresses with touching sincerity. Beat-ballad choral-ork backdrop builds along the way in powerfully dramatic fashion. Companion piece, a soft shuffle-ballad country-styled weeper can also grab loads of attention.

"YOUR SECOND CHOICE" (2:38) "SAME TIME, SAME PLACE" (2:22) [B. F. Wood BMI—Hampton, Seneca]

CLYDE McPHATTER (Mercury 71868)

This two-sider has what it takes to pave the way for McPhatter's return to chartdom. One end, finds Clyde in a tearful, two-tempo (slow cha cha and shuffle) romantic stand tabbed "Your Second Choice." The other, "Same Time, Same Place," puts him in a bright rock-blues light. Stand-out ork-choral support on both lids.

"MINA BIRD" (2:05) [Dundee BMI—Torres]

"SCOTTIE" (1:59) [Dundee BMI—Petty]

THE STRING-A-LONGS (Warwick 668)

The instrumentalists, who have put together a string of hits (from "Wheels" on up to their recent "Should I" chart-rider), are in for more hit activity with this new one. It's a funky thumper, tabbed "Mina Bird," that's sure to take a soaring sales flight in the weeks to come. Bright, middle beat "Wheels"-like sounds on the undercut.

"TOO MUCH LOVE" (2:20) [Gil BMI—Mosely, Lewis]

"LOVE'S YOUNG DREAM" (2:27)

[Winneton BMI—Sherman, Ballard]

JOHNNY NASH (ABC-Paramount 10251)

Nash stands a strong chance of climbing back into 'Top 100' territory with this rock-romantic that's tailored-for-teen-tastes. It's a dandy thumper, dubbed "Too Much Love," that Nash and the Sid Feller ork-chorus work over in money-making manner. The lovely beat-ballad toast to young love pairing also has an eye on the charts.

"LET'S PONY AGAIN" (2:00) "WHAT MADE YOU CHANGE YOUR MIND" (2:25)

[Arc BMI—Owens, Fisher, Johnson]

[Arc BMI—Fisher, Temple]

THE VIBRATIONS (Checker 990)

The Checker money-makers oughta attract loads of loot with this new double-barreled outing. "Let's Pony Again" can do for the boys what "Let's Twist Again" did for Chubby Checker. It's a blazing rocker right up the teeners' alley. Ditto for the sensational jumper on the other end, "What Made You Change Your Mind." Two goodies here.

"MOON RIVER" (2:45) [Famous ASCAP—Mercer, Mancini]

"MOON RIVER" (2:28) [Famous ASCAP—Mancini, Mercer]

"SOMETHING BIG" (2:05) [Chappell ASCAP—Adler]

HOLLYRIDGE STRINGS & CHORUS (Capitol 4631)

What could turn out to be one of the most recorded tunes of the year (and an Academy Award nominee) is the beautiful ballad, "Moon River" (from the pic, "Breakfast At Tiffany's"). Four more contenders for chart honors are: Jerry Butler's heartfelt solo vocal (VeeJay), two superb piano-led ork versions—by (Decca's) famed keyboard master Carmen Cavallaro and (Reprise) jazz stylist Calvin Jackson—and the Hollyridge Strings & (wordless) Chorus (Capitol) slice. Coupler's on each deck include: Butler's potent cha cha beat-styled "Aware Of Love"; Cavallaro's captivating big ork (led by Henri Rene) theme from the soon-due "Back Street" flick which could be the big side here; there's more fine pop-jazz work from Jackson & Co. on the sturdy, "How High The Moon"; The Hollyridge ork-chorus swing out a delight from the up-coming B'way musical, "Kwamina." ## Best Bets

ROGER DOUGLASS (Mercury 71860)

(B+) "TEENAGERS FOREVER" (2:18) [Merna BMI—Stirling, Temkin] New songster Douglass could make noise first-time-out with his attractive display of a nice rock-a-cha romantic. Pretty string-included orchestra setting. Keep tabs on this session.

(B) "BUT SUDDENLY" (2:19) [Leeds ASCAP—Michel, Altman] This date also has teen-ballad appeal, and is also done with a Latin touch.

JOHNNY BOND (Republic 2022)

(B+) "SADIE WAS A LADY" (3:35) [Vidor-Golden & West Melodies BMI—Mize] Bond, who clicked awhile back with "Hot Rod Lincoln," could do particularly impressive juke-box business with this cute bouncer with a cute old-west theme. Cut, from an LP, should be eyed.

(B+) "BUCK PRIVATE'S LA-MENT" (2:11) [Red River BMI—Atcher] Current and ex-G.I.'s will get a kick out of this item about the classic battle between the buck private and his sergeant. Note for PX juke-box plays.

DICK MICHAELS (Explosive 101)

(B) "COFFEE DATE" (2:07) [Chandler ASCAP—Ledner, Lake] Newcomer Michaels turns in an enticing disk debut as he teen beat cha cha's his way over a flavorful romantic ditty. Could latch onto lots spins.

(B) "TEEN AGE BLUES" (2:12) [Chandler ASCAP—Ledner, Lake] Songster emotionally tells about the problems of a teenager on this shuffle ride. Good Jimmie Haskell orchestra support on both sessions.

THE SWEET SICK-TEENS (RCA Victor 7940)

(B+) "THE PRETZEL" (2:20) [Norick ASCAP—Blagman, Bobrick] Colorful sock-rock affair is a good-sounding take-off on the Twist-beat and other teen-steps. Sessions has luffs plus a solid teen-market attitude.

(B) "AGNES (The Teenage Russian Spy)" (2:23) [Norick ASCAP—Blagman, Bobrick] A rock-a-cha luff (?) stint about a gal spy who went with the fella because he was the son of an atomic scientist (she's getting the chair).

LON DOBRO (4 Star 1754)

(B) "I JUST LIKE YOU" (1:45) [4 Star Sales BMI—Dobro] Catchy quick-beat romantic-novelty gets a capable belt essay from Dobro, who is backed by a colorful rock-a-string arrangement. Affable rockin'.

(B) "ALL THE TIME" (1:51) [4-Star Sales BMI—Dobro] Dobro gives a wistful display here. Strings are again present.

DAVE "BABY" CORTEZ (Clock 71875)

(B+) "COME ON AND STOMP" (2:42) [Emit BMI—Clowney, Wood] The popular teen-beat is displayed with the organist's fine rock know-how, with the rest of the combo and handclapping, chanting chaps providing further excitement. Natural teen-dance entry.

(B) "CALYPSO LOVE SONG" (2:10) [Emit BMI—Clowney, Wood] Nice calypso sound on the attractive tune.

JOHN D. LOUDERMILK (RCA Victor 7938)

(B+) "LANGUAGE OF LOVE" (1:45) [Acuff-Rose BMI—Loudermilk] The vet singer-writer heads an enjoyable light-beat essay about the teen language of love, which proves to be, like Barry Mann's "Who Put The Bomp" smash, a language of chants. Catchy cut that could get solid coin.

(B+) "DARLING JANE" (2:20) [Acuff-Rose BMI—Loudermilk] Loudermilk tenderly warbles the pretty calypso-type opus, about a gal who dies in a hurricane.

STAN KENTON (Capitol 4629)

(B) "OFFICER KRUPKE" (3:13) [Schirmer, Chappell ASCAP—Bernstein, Sondheim] Culled from the orkster's "West Side Story" LP, this track is one of the least successful. Kenton takes the show's hilarious show-stopper and turns it into a multi-textured mood piece, and misses. Kenton fans will still appreciate the efforts.

(B) "THEME FROM SPLENDOR IN THE GRASS" (3:01) [Witmark ASCAP—Amram] The soon-to-open flick features a lush, moody, theme title piece. Here, the Kenton ork weaves an interesting brass mood with the leader spotlighted on piano.

MATT CORD (Square 203)

(C) "I'M COMING HOME" (2:05) [Silent ASCAP—Salwitz, Silverman] Cord's backed by a chorus on this fast moving, country-styled opus. Storyline's 'bout a fella who has decided to settle down.

(C) "HOBO HEART" (2:18) [Silent ASCAP—Stein] Coupler's an easy-goin' western flavored sentimental.

### JAZZ

FRANK DALTON (Mercury 71857)

(B+) "QUICK DRAW McGRAW" (1:51) [MRC BMI—Mascari, Bolden] Laff item about an efficient lawman is done with a good-sounding rock arrangement that includes now-and-then musical sounds of a rapidly firing weapon. Singer Dalton's instrumental backing is aptly tagged The Dalton Gang.

(B) "CRUISED" (2:06) [MRC BMI—Mascari] R&B-styled blues bouncer with some instrumental references to the "Peter Gunn" theme.

BOB RILEY (Tibor 4500)

(B) "WEEKEND VACATION" (2:15) [Tibor BMI—Riley] Theme of a weekend vacation from a lost-love is presented with a bright sound by singer Riley and his rock-a-string backing. Tune is catchy. London handles the label.

(B) "MEMORIES OF HOME" (2:35) [Tibor BMI—Halmay, Friedenberg] Warm nostalgic waltzer. Nice cozy date.

THE OTHER FIVE (Gregmark 7)

(B) "TALK THAT TALK" (2:06) [Gregmark BMI—Frazier, Hazlewood] Infectious ditty, not the awhile back Jackie Wilson hit, gets a pro-sounding belt from the singers and combo, headed by strong keyboard-sax work. Kids will enjoy the cheer here.

(B) "TUESDAY NIGHT AND WEDNESDAY MORNING" (2:10) [Gregmark BMI—Hazlewood] The combo is highlighted good-sounding strut-blues fashion.

WALTER ALSTON (Gamut 101)

(B) "HEY BABY" (2:00) [Carol-Henderson, Alston] Alston, a Latin folk singer, goes after the teen-market with a good novelty-blues vocal against a busy combo-chorus setting. Talley-Ho Records handles the label.

(B) "GYPSY LADY" (2:27) [Carol-Alston, Henderson] A calypso-type sound backs the performer's ballad stint.

LLOYD MARLEY

(United Southern Artists 109)

(B) "OOH POO PAH DOO" (2:37) [Minit BMI—Hill] Catchy ditty, a recent pop-R&B success for Jesse Hill, returns in a cheerful blues showing from the warbler and combo-chorus (The Trebles).

(B) "FADE WITH THE TIME" (2:11) [Quachita BMI—Marley] Marley's stint here is a plaintive. There's haunting chants from the vocal support.

MARTY LEWIS

(Home of the Blues 235)

(B) "SLIP'N SLOP" (2:15) [Hara BMI—Lewis] A teen dance item is vigorously displayed in a sock rock ride by songster. Ork digs a hard groove for the affair. Could earn attention.

(B) "ANYONE BUT YOU" (2:17) [Hara BMI—Lewis] A straight-from-the-heart teen slanted ballad is wistfully arrayed with tender caresses. Also has airplay potential.

LARRY LEE (Destiny 505)

(B) "SOMEDAY (You'll Want Me To Want You)" (1:46) [Duchess BMI—Hodges] The oldie is presented to teeners with a bright rapid-fire rock sound by the warbler and keyboard-featured instrumentalists. Kids will dig the vitality.

(B) "I GET SO LONELY" (2:35) [Robadon BMI—Broderick, Daniels] Semi-dramatic teen-beat turn here.

BIG SLIM (Savoy 1605)

(C+) "I GOT TO FIND MY BABY" (2:10) [Savoy BMI—Wright] Very familiar upbeat blues theme is etched with a contagious eye cocked to the r&b marts.

(C+) "DON'T CRY BABY" (2:13) [Advance ASCAP—Unger, Bernie, Johnson] Traditional gut-bucket, slow blues lament is effectively essayed here.

BOBBY MITCHELL (Ron 342)

(B) "THERE'S ONLY ONE OF YOU" [Ron, Sho Biz BMI—Hauer, Rebennack] Songster offers OK teen endearments in hard-beat ballad setting. Femme chants help out.

(B) "MAMA DON'T ALLOW" [Ron, Sho Biz BMI—Arr. Rebennack] The oldie is fitted with a new teen lyric slant and is sliced infectiously. Good combo sounds-off both ends.

LULU REED (Federal 12426)

(B+) "YOU GOTTA HAVE THAT GREEN" (2:33) [R-T BMI—Toombs] Thrush has a solid vocal attack and puts it to good use in this riotous upbeat blues stanza. Honking sax-led combo gives her firm footing for the ride. Could dent r&b strongholds.

(B+) "KNOW WHAT YOU'RE DOING" (2:58) [Sonlo BMI—Patterson, Thompson] Here its a rolling, steady beat blues that the lark effectively portrays. Romantic theme promises teen attention.

THE TEEN BEATS (Original Sound 16)

(B) "NIGHT SURFING" (2:00) [Drive-In BMI—Taylor] An easy-beat instrumental with that off-beat intriguing sound. Gimmick string instrument is featured, and soft sounds of the sea are heard throughout the date.

(B) "CLAIR DE LUNE ROCK" (2:12) [Drive-In BMI—Arr. Egnoian] The now PD Debussy tune is done with a lively rock beat. A Top 100 version is called "Magic Moon" (The Rays on XYZ).

HONORABLE FATS WILSON (Robbee 116)

(B) "QUIT EATIN" (2:22) [Jeff-Paul & Starfire BMI—Marino, Guarino] Catchy luff bit in which "mama says" her boy is getting too fat. Singer Wilson receives aid from a combo-chorus, including a deep-voiced fella.

(B) "OVER AGAIN" (3:30) [Jeff-Paul & Starfire BMI—Maye] Performer turns to an R&B-styled ballad warble.

We had a nice visit last week with Skyla's nat'l. promo director Jo Wyatt who's been on a 13-cities goodwill junket for the past few weeks. Jo tells us the diskery's ridin' high with the current Gene & Wendell big seller "The Roach" (Ray Star) and has another chart entry in Jerry Naylor's bow outing "Stop Your Crying" which has snared several picks across the country. The label recently signed Jackie Gerard, who is readying a single on the sub Ray Star banner and Jimmy Norman who will cut a session next week.

Earl Glickin (DelFi-Donna) passes the word along that Johnny Crawford might have a two-sided winner in his "Your Love Is Growing Cold" b/w "Treasure" since the flip side has been picking up steam in many markets. A newbie to watch is The Castaleers debut waxing on Donna tagged "That's Why I Cry." . . . Music Dist's Russ Bach will be squiring the Five Shades around the Chi-Milw. record hops circuit when they arrive in town

Hollywood Palladium during August, scored a big success also with his 31 piece ork and singers at the Hollywood Bowl concert 9/10. . . . Dwayne Hickman, star of TV's "Dobie Gillis," has inked an exclusive disk pact with Dot Records topper Randy Wood. Plans call for an album and singles to be released later this year.

Les McCann, Pacific Jazz pianist, adds big band and self-styled vocals to new LP outing titled "Les McCann Sings." McCann is set for a 3 week stint at local jazz nitery The Summit bowing 9/28. . . . Newly formed Pro Records has taken over national distribution of Johnny Gatewood's "Pocketful of Rainbows," from local Plaza label. . . . Hans Salter, who did the musical score for flick "Come September," signed by producer E. Charles Straus to compose and conduct the music for Allied Artists' "Hitler." . . . Fred Darian, riding the charts with Era effort "Johnny Willow," featured as the star attraction on the 9/5 sailing of the Matsonia from Honolulu to Los Angeles. . . . Choreo Records busy prepping their initial album release tabbed "The Astaire Medley"—32 songs Fred Astaire featured on his 3 Emmy award winning teevee specials.

## BIOS FOR DEEJAYS

**Troy Shondell**

Troy Shondell, the 20-year-old Liberty songster, is a man of many talents. His recording of "This Time," which is climbing the Top 100 (#65 this week), was self-produced in a small studio in his native Ft. Wayne, Ind., and released on his own label, Gold Crest. Chicago disk jockeys Stan Major and Jim Lounsbury felt the record had hit potential and gave it intensive airplay, which resulted in a flood of local reaction.

Liberty heard the record, liked it, invited Troy to sign with them. He did, they took over distribution of the deck, except for the Chicago area which was retained by Troy's label, and pushed it into national contention.

Troy attended Elmhurst High School in Ft. Wayne and majored in music and dramatics at Valparaiso Univ. He boasts of nine years of piano study and proficiency on organ, guitar, trumpet, sax and drums.

**Shirley Bassey**

Last week (13) Shirley Bassey opened at the plush Persian Room in N.Y.'s Plaza and brought to American nitery audiences what is considered by many to be England's best cabaret and record singing. Her record hit list and nitery triumphs in Europe are numerous, being currently represented on the England Best Seller list with "Reach For The Stars" and "Climb Ev'ry Mountain" (on Columbia). This week, a new arrangement with United Artists Records in the U.S. begins with the release here of "Reach For The Stars" coupled with a previous hit, "You'll Never Know." She is also represented on U.S. disks with an MGM album, "The Fabulous Shirley Bassey."

Born in Cardiff, Wales, twenty-three years ago, Shirley has been singing since childhood and professionally since her late teens. Her first show biz hit was in the London musical, "Such Is Life."

## PLATTER SPINNER PATTERN

In the field of unusual and inventive radio promotions, WLEE-Richmond, Va., came up with a doozer last week and tied up many telephone lines across the country. Credit goes to morning man Harvey Hudson, who when playing the new Capitol recording, "Dinky Doo," suddenly faded the disk and innocently asked "What is a dinky doo?" Immediately, the station phones were tied up by responsive listeners so Harvey thought up a nonsensical answer and offered a big one dollar prize. Response continued, Harvey upped the ante at the rate of a dollar every half-hour, then froze the prize at \$25. After several hours of contest time, a remark was dropped on the air that the manager of a local pub might know the answer—for four hours afterwards his phone was a-jingle. Amazed and happily surprised at local action to his whim, Harvey started dropping names of others who might know the answer. Soon after, such widely scattered people as Bob Austin of Cash Box, Jimmie Fidler in Hollywood, the Water Commissioner in Allentown, Pa. and the Soviet Embassy in Washington reported receiving unusual phone queries from Richmond, Va. callers. Finally, after 34 hours, a young lady came up with the answer and put an end to jangled nerves. Seen any Dinky Doo's lately?

Then, there's WSAI-Cincinnati's offer of a six-foot mermaid to the person who sends in the tallest fish tale. Male anglers throughout the state are hurriedly vying for contention. Station flack says the lady fish is "longing for affection" and they're anxious to find a good home for her.

Once again radio stations throughout the country deserve plaudits for their unceasing efforts for traffic safety. One of the most effective Labor Day weekend campaigns was waged by KUDE-Oceanside, Calif. which aired seasons greetings and Christmas records for those who might "not be around later." Kudos to KUDE.

A change in programming activities last week made WWRL-New York the city's only fulltime Negro market station, devoting its full 24 hours to the more than 1½ million metropolitan area Negroes. The station, which pioneered in specialized market broadcasting and has been servicing the radio needs of New York's Negroes since 1943, has continually won awards for its public service effectiveness. According to program director Fred Barr, the station, which recently celebrated its 35th anniversary, will now give up 18½ weekend hours to other foreign language groups in the city.

WIL-St. Louis' Dick Clayton, who last year won the Celebrity Baking Contest of the Modern Living Show, is again this year readying his batter

for the fray. This is one disk jockey that really "cooks."

KVIL-FM-Dallas is now on the air with the most powerful signal in the southwest. The new FM outlet is now operating at a power of 119,000 watts hitting listeners as far away as Tulsa, Oklahoma City and Wichita. During the daylight hours the FM station simulcasts with the AM signal, but from 7 PM to midnight, hour-long programs cued to evening listening will take over. Separate studios and transmitter are maintained at Chalk Hill. Multiplex is contemplated soon.

Will Lucas asked his KALL-Salt Lake City morning audience to send in water pistols to counter East German advantage in the water squirting skirmishes at the border recently. Alas, Will reports not many nationalistic minded citizens in his area since not many weapons were received. Will still feels there's a Wet Menace.

### VITAL STATISTICS:

Shake-up at WOKY-Milwaukee has Jim Staggs from Bartell's KYA-San Francisco into the program directorship, Mitch Michael upped to production director (Mitch now has largest audience of any program in 15-year history of station). Lee Gray moves in from WISN-Milwaukee for the news dept., and Don Phillips from WRIT-Milwaukee for the all-night stanza. . . . Jim Mendes, an eleven-year vet of WICE-Providence, lost his show when the station reverted back to daytime programming. Jim reports offers from Boston and New York and expects to relocate soon. . . . WSAI-Cincinnati brought in two new personalities: Paul Purtan (noon to 3 PM), from WMBR-Jacksonville, Fla., and W. Emerson "Dusty" Rhodes, from WOLF, WNDR and WHEN in Syracuse, N. Y., who'll also double as community relations director. . . . A new lineup at KFIV-Modesto, Calif., now includes Lloyd Walters, Bobbie Barnett, Gary Martin Avey, George Gardner and Gene D'Accardo. . . . Bea Kalmus returns to New York radio with her celebrity interview show Oct. 4, on WVNJ-Newark. Again, Jack Silverman's International will be her stamping grounds. . . . Metropolitan Broadcasting's new Kansas City outlet, KMBC and KMBC-TV is being stocked from the chain's other stations. So far, Eddie Clarke, morning man at WHK-Cleveland, has been tapped to return to his native city. In addition, Albert P. Krivin, general sales manager at KYW-TV-Cleveland, has been brought in as veenec and general manager of the TV operation. . . . Arthur J. Wander was named assistant to the director at WMGM-New York. He held a similar post at WAKR-Akron, O. . . . Ken Dove exits WARB-Mobile, Ala., for the Musical Mob at KDEO-San Diego.

## POPULAR PICKS OF THE WEEK

### "THE SECOND TIME AROUND"—Etta James —Argo LP 4011

The smoky-voiced thrush in another LP display of her stellar song stylings. Here she invests a collection of new and old items with her own distinctive personality, wrapping up the set in strong emotional terms. Among the tunes are her current single seller, "Don't Cry Baby," "It's Too Soon To Know," "Fool That I Am" and "Dream." Pow-erhouse entry.

### "AROUND THE WORLD"—Quincy Jones and his Orch.—Mercury PPS 6014

The individuality and inventiveness of Quincy Jones' arrangements (plus his perseverance) have earned him the distinction of being one of the few to organize and succeed with a new big band in recent years. Though this set of "international" tunes is not jazz in its real sense, the originality with which the songs are handled, the persuasiveness of the moods and the general elated swinging feeling attained earn it a jazzman's admiration. Performances include "Strike Up The Band," "Meadowlands," "Manolete De Espana," and "Under Paris Skies."

### "I LIKE IT SWINGING"—Buddy Greco—Epic LN 3793

Buddy Greco climbs aboard the superb Al Cohn arrangements and is whisked gracefully through a swinging affair that includes readings of such chestnuts as "Day In—Day Out," "They Can't Take That Away From Me," "Once In Love With Amy" and "The Surrey With The Fringe On Top." Greco's style relies on a maximum of intimacy and audience communication—which he neatly attains here—and he is all musician in every phase of his work. A big band culled from the cream of NY studio musicians support admirably. Superior vocal album.

### "THE ANDY GRIFFITH SHOW"—Capitol ST 1611

A compendium of typical episodes from Andy Griffith's weekly TV stanza finds the twangy actor-comic-singer in a variety of spotlights, all delightful. Set includes an 8½ minute saga of "Jack, The Giant Killer" told in Griffith's loveable back-woods dialect. Highlights of the album are the four "Bluegrass" songs Griffith sings with Roland White and the Country Boys and that again display the authentic and authoritative country singing style Griffith surprisingly unveiled in his first Capitol LP. This alone should sell the set.

### "JOSE MELIS IN MOVIELAND"—Mercury SR 60648

The sparkling Melis piano style takes firm hold of a dozen famed flick themes. A big string ork supplies the necessary accompaniment as the pianist rambles interestingly through "The Continental," "On Green Dolphin Street," "High Noon," "Tara's Theme," "Invitation" and "Theme From The Apartment." Melis fans will covet this latest entry.

### "BOZO AT THE CIRCUS"—Capitol JAO 3259

Bozo's fascinating tour of the circus, its animals, performers and acts, kicks off Capitol's new line of reissued best-selling 45 rpm kiddie disks. A "reader," the book-fold album includes cartoon drawings which listeners are urged to follow the disk with. A charming and sometimes exciting experience for children. Deck also includes three other stories on side 2. Could be a big seller.

### "MUSIC, HOW IT'S MADE AND PLAYED"—Disneyland ST 3914

Here's a children's introduction to melody and instruments of the orchestra that is probably the best on the subject. Adapted from the Walt Disney short subjects "Melody" and "Toot, Whistle, Plunk And Boom," the set features songs by Paul Francis Webster, Sonny Burke, and others and is conducted by Camarata. A booklet of cartoons and captions accompanies. A delightful disk account of music for kiddies.

### "BO DIDDLEY IS A LOVER"—Bo Diddley —Checker LP 2980

The ferocious guitar-strumming rhythm & blues vet is spotlighted in a lineup of a dozen originals which run the gamut from the fiercest Diddley swingers to the more subdued but no less exciting blues turns. Among the tracks are "Not Guilty," "You're Looking Good" and "Love Is A Secret."

### "THE BEST OF CUGAT"—Xavier Cugat and his Orch.—Mercury PPS 6015

Cugat's second "Perfect Presence" date for the label continues in the same fiery Latin vein established in the first set. The rhythms are fast and furious and always danceable, and melody is charmingly escorted through this maze of fascinating rhythmic devices with utmost clarity and tunefulness. It's all in the Cugat tradition with the plus factor of the label's good stereo sound. Selections include "Mama Inez," "Amor," "Amapola" and "El Cumbanchero."

### "THE PERCUSSIVE TWENTIES"—Eric Rogers and his Orch.—London SP 44006

The Rogers ork swings out in a dazzling percussion display of music from that madcap musical era. Every zany sound obtainable that's indicative of the 20's is here in full regalia and there's some good musical moments too. Selections include "Tiger Rag," "Black Bottom," "Fascinating Rhythm," "Who?" and "Charleston." Lively stereo fun.

### "SOUSA ON REVIEW"—Frederick Fennell conducting the Eastman Wind Ensemble—Mercury SR 90284

Actually the second volume of what is to be a Sousa anthology by the Eastman Wind Ensemble—began by the highly successful first volume, "Sound Off!" The ork is in top form and responds admirably to Fennell's sharp direction. Among the dozen marches played are "The Rifle Regiment," "Golden Jubilee," "The Black Horse Troop" and "New Mexico."

### "PERCUSSIVE MOODS"—Johnny Keating's Combo—London SP 44005

The "percussive" moods in this "phase 4 stereo" issue range wide and far, from the pulsating march-time of "Colonel Bogey," through the swinging momentum of "Mountain Greenery," to the exotic "Delilah." Maximum percussive stereo effect is sought and achieved through a wide array of instrumentation, but there's always a firm foundation of basic musical values. Entertaining session for big rig owners.

### "585 KEYS, 57 PEDALS, AND 1,054 PIPES"—Paul Renard—Fortissimo XK 8008

The title refers to the total devices of the organs—Wurlitzer and Hammond—harpsichord, celeste and piano that young keyboard virtuoso Paul Renard alternates on for this Riverside "sound" label outing. As in his other LP dates for the label, Renard frequently mixes up the moods and styles of the various tracks obtaining maximum mileage from such varied pieces as "Lightnin' Rag," "Deep Purple," "Oye Negra" and "The Boy Next Door." Stereo is a factor, but Renard's talented hands are the feature.

### "THE HOUSE AT POOH CORNER"—Ian Carmichael, Dick Bentley—Wonderland RLP 1442

The lovable, ageless children's book characters Winnie-the-Pooh and Christopher Robin come to life in this Riverside kiddie LP. British actor Ian Carmichael narrates while a cast of appropriate voices and accompanying music round out a superb kiddie production. Side two contains the delightful poems (by the same author) that were part of "Now We Are Six," read and sung by Dick Bentley. A valuable addition to the library.

# ALBUM REVIEWS

## "THE VOICES OF BOB BALLARD"—Dot DLP 25383

Girls from the left (speaker), men from the right, blending in sparkling harmony in a lively chorale session guided by Lawrence Welk arranger Bob Ballard. Stereo is used to maximum advantage in various ways, and it all comes out as a musically sound vocal-orchestra date. Among the tunes are "These Foolish Things," "People Will Say We're In Love," "Me And My Shadow" and "Fools Rush In."

## "STORY SONGS"—Pete Seeger—Columbia CL 1668

Pete Seeger's first album for Columbia was cut in performance at NY's Village Gate before an appreciative audience which, at Seeger's familiar urging, helps out occasionally on the choruses. The songs are compiled from the repertoire of American folk ballads, including "Washington Square," "Pretty Boy Floyd," "Buffalo Skinner" and "The Foolish Frog." Somehow the electric excitement that marks most of Seeger's past work is missing here and the singer appears less relaxed than usual. Still, he's the acknowledged leader in his field and the album should find a receptive market.

## "GREAT HAWAIIAN HITS"—The Mills Brothers—Dot DLP 25368

Soft swaying harmony glossily essayed by the Mills Brothers nicely do up a collection of Hawaiian songs. Pleasant vocal mood listening that includes readings of "Blue Hawaii," "Keep Your Eyes On The Hands," "Trade Winds" and "Beyond The Reef." The group still has its loyal fans.

## "TO YOU AND YOURS"—George Hamilton IV—RCA Victor LPM-2373

The soft-voiced songster turned country singer and is doing well in the idiom. In his first Victor album he offers a varied collection of songs that includes his current hit "Three Steps To The Phone," some new songs: "I Want A Girl" and the title tune, and several oldies: "Rainbow," "East Virginia." Easy listening collection that shows strength in pop as well as country markets.

## "SONGS OF THE FAMOUS CARTER FAMILY"—Lester Flatt & Earl Scruggs—Columbia CL 1664

For this collection of songs associated with the famed Carter Family, Flatt & Scruggs (and the Foggy Mountain Boys) have altered their internationally famous Bluegrass style to conform more to the traditional memory of the Carter Family style. Much of this alteration is achieved through the addition of Mother Maybelle Carter's autoharp, which accompanies the boys on such cherished items as "Keep On The Sunny Side," "Jimmy Brown The Newsboy," "Forsaken Love" and "Worried Man Blues." Outstanding album for country and folk markets.

## "EVERYTHING GOES!"—The Music of Cole Porter—George Siravo and his Orch.—Epic LN 3803

Siravo calls upon a fresh blending of usual instrumentation to accord the momentous Cole Porter songs the fitting settings they rate. He also uses extra helpings of stereo effects (bongos, etc.) which help at times, but also hinder. Musically, it's a pleasing compilation of such melodies as "So In Love," "Anything Goes," "I've Got You Under My Skin" and six more.

## "PARADISE REGAINED"—Leo Addeo and his Orch.—RCA Victor LSA-2414

The weaving, swaying motions of south seas music, evocatively essayed here by the Leo Addeo ork, are also translated into speaker movements via the "Stereo Action" formula. It's an engaging session for those who favor this flavor in their mood music. Selections are "Ka-Lu-A," "Now Is The Hour," "Beyond The Reef" and 8 more.

## JAZZ PICK OF THE WEEK

## "KENTON'S WEST SIDE STORY"—Stan Kenton and his Orch.—Capitol ST 1609

This is by far the most exciting album by Kenton in many years! It's his first attempt at a Broadway show score (probably the only score that fits so well into his idiom) and he has accorded the Leonard Bernstein masterpiece a brilliant new jazz look. Each piece's mood is thoroughly explored for every subtle nuance (and there are many) in an invigorating splash of orchestral color. The album is outstanding from start to finish. Should revive a big disk interest in Kenton.

## "SUMMIT MEETING"—Vee Jay LP-3026

This is not just a sampler but a sampling of the best that's to be found in the excellent, growing Vee Jay jazz catalog. Among the names represented are such stars as Cannonball Adderley, Art Blakey, Lee Morgan, Wynton Kelly, Bill Henderson, Paul Chambers, Philly Joe Jones, and more. Of course Eddie Harris' best-selling "Exodus" single is included. Among the remaining 7 tracks are Bill Henderson's "Bye Bye Blackbird," and the MJT+3's "Sleepy." Could be a big jazz item.

## "UP AT MINTON'S"—Stanley Turrentine—Blue Note 4069, Vol. 1

The legendary Play House (Minton's) serves as a falsely glamorous but quite appropriate setting for the hard-driving, powerhouse tenor playing of Stanley Turrentine. Along with Blue Note regulars Grant Green (guitar), Horace Parlan (piano), George Tucker (bass), and Al Harewood (drums), Turrentine moves spiritedly through a set that includes "But Not For Me," "Yesterday's," "Broadway" and "Stanley's Time." There's lively swinging, gut-bucket blues, and generally all-around top notch jazz performing here.

## "HAZY IN DIXIE"—The Hazy Osterwald Sextet—Dot DLP 25390

Light, pleasant Dixieland style music is unobtrusively essayed by the European "jazz" combo. It's the kind of music that will do yeoman service as backdrop to parties, etc. Performed are "Muskrat Ramble," "At The Jazz Band Ball," "Baby Won't You Please Come Home" and nine other Dixie standards.

## CLASSICAL PICKS OF THE WEEK

## VERDI: "Aida"—Maria Callas, Richard Tucker, Fedora Barbieri, Tito Gobbi, Tulio Serafin conducting the Orch. and Chorus of La Scala—Angel 35938

Though this excerpt disk from the original 3-disk Angel set enters some of the stiffest catalog competition, the standout performances of Maria Callas, Richard Tucker, and the others marks it as one of the best available. The eight tracks were excellently selected (the usual space-consuming overture is omitted) and are representative of some of the best work by these artists. Should meet a strong demand.

## STRAUSS: "Ein Heldenleben"—Sir Thomas Beecham conducting the Royal Philharmonic Orch., Steven Staryk, solo violin—Capitol SG 7250

Richard Strauss' imposing tone poem, considered to be his best orchestral work, was fittingly one of Beecham's last recorded pieces and, as observed here, he had risen to the occasion in brilliant, richly rewarding results. Staryk's violin solo is very capable but it is Beecham's stirring direction of the difficult piece that remains uppermost. A lasting last bow.

## ARMADA's Armada

Standing, left to right, are publicity director Norm Weiser, Leonard Chess, Budd Dolinger (who represented Archie Bleyer), H. W. Dailey, president Art Talmadge, Jack Kaplan, Henry Droz, Morton Gorelick and Fletcher Smith. Absent from the photo are Nelson Verbit and Bobby Shad.

### N.Y. Meet Of Int'l Disk Club Seen Big

NEW YORK—Response to the initial International Record Men's Club initial luncheon meeting, to be held September 21 at the Warwick Hotel in New York has "exceeded all expectations," according to Sidney Shemel, vice-chairman of the group. Reservations now indicate that all phases of the industry will be represented at the meet, which will feature an address by Leonard Woods, of EMI in London.

Shemel also announced that Mats Bjerke, Stockholm, Sweden, and Bent Fabricius-Bjerre, Copenhagen, Denmark, both of whom are associated with Metronome Records, will be in attendance at the meet. Bjerke is head of the international Metronome organization, and Bjerre is president of the German and Denmark companies. Gene Moretti, chairman of IRMC, who has been in South America, will be back in time to helm the initial meet, Shemel said.

### Market Elastic Band "Record Savers"

NEW YORK—"Record Savers," a vinyl elastic band with a groove that fits the outer edge of an LP, has just been marketed by Helm Album Sales, Inc., of New Milford, N. J. The firm claims the item absorbs the impact and shock of the dropping record (on automatic changers), creating an air space that "insures true reproduction." The firm guarantees no slipping, chipping or scratching. A package of seven retails at \$1.25.

### Command Reports Big Dealer Response To 35/mm

NEW YORK—Command Records' new LP line, bowing the label's use of 33mm film recording technique, is getting a "tremendous" initial reaction, the label reported last week. Al Hirsch of Malverne distrib, this city, said last week that dealers were re-ordering the first LP in the series in 10's, 50's and 100's, besting, in general, reorders for the label's previous pop "sound" LP's. The LP, "Stereo 35/mm," with Enoch Light's orchestra, bows this week on the stereo LP chart in the number 37 position.

## Columbia Has 30 Oct. LP's; "Story" Track, Xmas Product

NEW YORK—Columbia Records has set 30 LP's for October release, including the pic sound track of "West Side Story" and six Christmas LP's.

Also highlighted is a 4-LP set, "The Fletcher Henderson Story," volume 4 in the label's "Thesaurus of Classic Jazz" series which comprises 64 dates by the maestro's ork cut between 1923 and 1939.

The 10 pop issues include: "Holiday Sing Along," Mitch Miller's 16th sing-along LP; "Kisses Sweeter Than Wine," Antia Bryant's LP debut on Columbia; "Always You," featuring "Camelot" star Robert Goulet; "An All-Star Christmas," with selections by the label's top stars, including Doris Day, Les Paul & Mary Ford, Frankie Laine, Johnny Cash, The Brothers Four, etc.; "Gesu Bambino—the Jesus & Mary Choral Group"; "A Music Box Christmas," recordings of selections from 19th century music boxes; "A Golden Treasury of the Greatest Hits," a 2-disk set comprising selections by best-selling Columbia artists, including Johnny Ray, Tony Bennett, Johnny Horton, Frankie Laine, Johnny Mathis and Doris Day; Kitty Kallen's "Honky Tonk Angel"; Les Elgart's "It's De-Lovely"; Billy Butterfield's "The Golden Horn"; Johnny Janis' "The Start Of Something New."

### Eddie Heywood Signs Liberty Contract

NEW YORK—Eddie Heywood has been signed to a Liberty recording contract it was announced by the diskery last week. The artist has won equal fame as a composer and a pianist in his previous recording associations with Mercury Records and RCA Victor, scoring first with his own composition and as featured pianist on the Hugo Winterhalter hit, "Canadian Sunset," on Victor, and then with "Soft Summer Breeze" on Mercury.

Clyde Otis, eastern A&R head for Liberty, said at the signing that he feels "the surface has only been scratched" as far as Heywood's potential is concerned and that he plans a full singles and LP recording schedule for the artist. The first singles were recorded last week and are planned for release in the "immediate future." An on-location LP date with Heywood's working trio is also on tap for the near future.

In the above photo, Heywood (center) inks his new pact observed by Otis (left) and his manager, Lenny Lewis (right).

Jazz LP's include duo pianists' Gold & Fizzle's "Points On Jazz" by Dave Brubeck; Lambert, Hendricks & Ross' "High Flying"; Lionel Hampton's "Soft Vibes—Soaring Strings"; "Robert Johnson—King of the Delta Blues Singers," a "Thesaurus of Classic Jazz" release; Paul Horn Quintet's "The Sound of Paul Horn."

The classical entries include: "Igor Stravinsky Conducts, 1961," including three new works by the composer; scenes from Moussorgsky's "Boris Godounoff," featuring George London and Thomas Schippers conducting the orchestra and chorus; Tchaikovsky's "Nutcracker Suite" and "Between Birthdays," with special verses by Ogden Nash and read by Peter Ustinov, are performed by Andre Kostelanetz and his orchestra; Bruckner's 4th symphony and Wagner's "Tannhauser overture, are performed by Bruno Walter and the Columbia Symphony (2-LP's); Respighi's "Feste Romane" and "Sibelius' 7th symphony" are performed by Eugene Ormandy and the Philadelphia Orchestra; special Masterworks' Xmas issues include: "Christmas Carols Around the World," the Mormon Tabernacle Choir; "Behold! Three Wise Men Came Out of the East, Music from the Epiphany Office and Mass of the Christmas Season," sung by the Trappist Monks of the Abbey of Gethsemani.

Latin-American "EX" product includes: "More Latin American Hits," Trio Los Panchos; "Que Buena Esta . . . Elena!", Elena Madera; "El Fabuloso Estilo de Los Santos," with Frank Ferrar and his ensemble.

### Philly Sets "Lanza" Day

PHILADELPHIA—The first of an annual "Mario Lanza Memorial Day" will be proclaimed for October 7 by Philadelphia Mayor Richardson Dilworth. The event, marked in the city where the late tenor was born, will include radio station programming of Lanza records, feature articles in newspapers, reshewing of a Lanza film ("The Great Caruso") and other tributes to the artist. Mrs. Maria Lanza Coccozza, Lanza's mother, will be on hand, with Mrs. Coccozza receiving the proclamation from Mayor Dilworth. Mrs. Coccozza and Lanza's four children were recently in Philadelphia.

### 5 Epic LP's For Oct.; Hamilton, Orlando Sets

NEW YORK—Five LP's will be released by Epic Records next month. Two pop LP's include Roy Hamilton's "Souvenirs" and Tony Orlando's "Bless You," titled after the songster's current hit. A jazz album is "We Paid Our Dues," with tenor saxists Charlie Rouse and Seldon Powell. Classical entries are George Szell and the Cleveland Orchestra in Beethoven's 8th symphony, and the late pianist Clara Haskil's performance in Mozart's Concerto No. 20 in D Minor and No. 24 in C Minor for Piano and Orchestra with the Orchestra Des Concerts Lamoureux under Igor Markevitch's direction.

# UA Sets 1st Distrib-Label Meets

NEW YORK—United Artists Records will hold a series of four regional sales meetings for distributors, their sales personnel and executives, it was announced last week by Chet Woods, vice-president. This will mark the first time that all sales personnel of the complete group of UA distributors will be in attendance at such a meeting, and will have the opportunity to meet in person with the UA executives.

The four meetings have been scheduled for New York, Saturday, September 23; Chicago, Sunday, September 24; Atlanta, Monday, September 25, and Los Angeles, Saturday, September 30.

Purpose of the four meetings is to hold a special sales conference with the distributors and their personnel which will be conducted by top UA executives, and to present the new Fall line which includes ten new albums.

Appearing at the four one-day sales sessions will be Art Talmadge, vice-president and general manager who will preside, Chet Woods, Jerry Raker, national sales manager; Morris S. Price, newly appointed national director of regional operations; Sy Mael, vice-president and controller. The meetings in each city will open with a breakfast, followed by a general sales seminar, with Talmadge, Raker, Woods, Price and Mael speaking to the assembled distributors and salesmen on UA's aims and objectives.

Following a luncheon, the new albums, which include the "Paris Blues" Sound Track featuring Louis Armstrong and Duke Ellington compositions; Ferrante and Teicher playing

the music from "West Side Story" and other top motion pictures and Broadway shows; "I Feel So Spanish" by Eydie Gorme, and Al Caiola's "Western TV Themes," will be previewed for the assembled guests.

In addition to hosting the complete sales staffs of the distributors, UA has also invited their wives who will be the guests of the company along with their husbands.

In addition to the sales sessions, and the unveiling of the new LP's, those in attendance will also see the merchandising program which has been set-up for the big Fall session season, including special window displays, streamers and a newly-created browser box for the UA Silver Spotlight Series which will also be shown for the first time during the meeting.

Final event on the agenda will be informal meets between the distributors and the UA executives, with the adjournment scheduled for approximately 6 p.m., thus allowing the visitors and their wives to either return home or plan their evening's events.

"We welcome this opportunity to meet with the men who are representing United Artists Records in the field, and to give them the opportunity of meeting us," Talmadge said. "It is our aim, through these four meetings, to establish a close relationship between the field sales staffs and our own sales executives, to have them meet and discuss the various aspects of our business in person."

In addition to all domestic distributors, the Canadian representative, Compo Company, Ltd., has been invited to attend the N.Y. meeting; Juan Martinez Vela, Puerto Rico, the Atlanta session, and Polynesian Distributing, Honolulu, the Los Angeles conference.

# Time Adds Pic Song Greats Series; Offers Special "Pak" Discount

White, who has been associated with Metro-Goldwyn-Mayer, the parent company of MGM/Verve, will handle finance, systems, budgets and administrative matters.

In another announcement, Andy Miele, director of marketing, named Vic Chirumbolo as east coast regional sales manager for the Verve label. Chirumbolo has held sales posts with Capitol and Warner Bros, and, before coming to Verve, was on the staff of The Music Reporter. NEW YORK—Buck Ram's Personality Productions, this city, has appointed Bill Siegel as sales manager for its Antler label and two subsides, Ensign and Personality. Siegel, who will headquarter in New York, recently resigned from Rosarc One Stop in Los Angeles, which he opened and organized in March of this year. Siegel's first assignments include setting up distributors for the labels in Pittsburgh (Standard), Baltimore (Zamoiski), Atlanta (Hopkins), Miami (Henry Stone) and other areas, and the promotion of these upcoming releases: "I Heard Violins" and "McGoo Can See" by the Teen Queens (Antler) and "Sentimental & Sorry," "These Precious Moments" by Pearl Ray (Ensign) and the first LP by The Voyagers.

# Disk Sales Better Than Books

NEW YORK—Though the book business is now prospering, it is not doing a sales volume as that of the disk industry. The American Book Publishers Council has just reported that domestic sales of general books in 1960 rose 11.9% to a total of \$418,778,000. Another \$37 million was gained from export sales, giving the book publishers total net sales of \$445 million, including all kinds of books except text books and encyclopedias. The disk industry's retail sales volume, at list price, last year was about \$480 million.

## From Old To New To New

ACTION CENTRAL

ALBANY, N.Y.—Richard Hayman's Mercury recording of "Night Train" had an unusual beginning. WPTZ-Albany disk jockey Jim Camilli brought in a 15-year-old scratched 78rpm of the Harmonicats' recording of the song on Mercury and with the help of program manager Don Kelley and production head Jim Ramsburg, he beefed up the sound with electronic echo and began playing it as "new." Local reaction reverberated from dealer to distributor to Mercury, which decided to recut that original arrangement with Richard Hayman and release it nationally.

Above, (left to right) Kelley, Camilli and Ramsburg and Mercury promo man Hermie Dressel display both the new and old versions of the song.

This includes one album each of favorite Scottish, Irish, Jewish, Polish, Ukrainian, Greek and Czechoslovakian melodies, 40 in each album.

"Cocktail Hour" series recorded with William Gunther will be enlarged by two new releases: "Cocktail Hour On The Range" and "Cocktail Hour With Mozart."

Other instrumental releases include two albums of a native gypsy band never before recorded, and an album of Polkas from Pennsylvania and the Delaware Valley. Among the vocal releases will be a new Lithuanian LP, an album of Viennese Wine Garden songs, an album of German student songs sung by a German student choir, and three albums of Portuguese music featuring well-known Portuguese performers.

In addition to the recordings, the cover photography was also done on location.

The firm has just moved to new and larger quarters at 66 Mechanic Street, New Rochelle, New York in order to allow for further expansion of new projects which are in the planning stage.

Following this appearance, the troupe will move to Canada for several concerts, then return to the U.S. to perform in many cities.

The RCA Victor international division will host a cocktail party for Fidenoc and the other Italian stars shortly after their arrival in the U.S.

The meet brought together reps from eleven European countries, including Germany, Norway, Sweden, Denmark, Finland, Holland, Belgium, Austria, Switzerland, Spain and Italy.

# Text Of Snider's NARM Speech

NEW YORK—Here's the full text of the address delivered by Ed Snider, president of the National Association of Record Merchandisers (NARM), at NARM's Mid-Year Meeting and Sales Conference in Chicago recently:

In recent months, the record merchandiser has suffered additional and curbing attacks—

- from retailers
- from a group of misguided distributors
- from misleading and out-of-proportion stories in trade publications.

They claim everything from A to Z disclaiming our right to be a part of the industry. They say:

- We are financially unsound.
- We handle cut-outs.
- We sell bootleg merchandise.
- We only buy the "cream."
- We discount too severely.
- We don't know anything about records.
- We receive a preferential price and should not get the functional discount.
- We compete unfairly.

c., etc., etc.

I say Phooey!! As a group, record merchandisers are composed of sound, dignified companies led by ethical and dynamic men. These men have been instrumental in expanding the scope of phonograph record distribution, thereby broadening the industry in its entirety, and creating new or better record customers. They have done what they and others had done in groceries, housewares, stationery, toys, greeting cards, hosiery, soft goods (to mention a few) industries in past years. Their growth has paralleled the growth of the record industry.

I feel that this is not coincidental. The record merchandiser is largely responsible for the overall increases in total record sales.

He has expanded the market place. He has rejuvenated old factors in the business, such as the variety store.

He has brought many new customers into the fold, and the thousands of departments that he has placed in high traffic locations in every city and town are creating new users of phonograph records every hour of every day.

He has eliminated the stumbling blocks that used to keep his customers from "getting behind" their record departments by guaranteeing service and merchandise.

He has added dignity to an industry that often was in want for the same.

The fact that the record merchandisers' volume has consistently increased over the past five years, coupled with the obvious fact that it is unquestionably the fastest growing segment of the industry, speaks for itself. The customers of the record merchandiser are not fools. In fact, they comprise some of the business world's best minds—the executives and buyers for the biggest supermarket chains, variety store chains, and discount houses in the world—to mention a few. If the merchandiser didn't perform as he should—he would not be favored with the business for long.

A good distributor-merchandiser relationship is an unbeatable combination, and I cite the following as several examples to prove this point:

1. While the record merchandisers usually carry a larger inventory in total than the distributors in an area, the good distributor carries a much larger inventory of a specific label. This means faster channels of supply and ultimately faster service for the consumer. Elimination of the distributor in all labels might mean an insurmountable inventory problem for the record merchandiser.
2. The good distributor promoted his lines via radio, etc. The mer-

Above are photo views of the revolving person-to-person confabs which were highlights of the recent NARM convention. The 18-minute confabs, under the guidance of Jules Malamud, NARM's exec secretary, were praised by both manufacturers and rack-jobbers as highly successful. The sessions were called a major factor for the overall success of the NARM conclave.

chandiser need not concern himself with this aspect of the business.

3. Working together, with complete confidence in each other, the distributor and merchandiser can help solidify each other's position in a given market. Rather than undermining each other, they can work together and "talk each other up."

4. Jointly, they can help convince the manufacturer to support their relationship and establish policies to make this association with each other a profitable one.

Although I do not have specific facts to prove it, it appears to me that the most successful distributors in any area are those that have been progressive in their dealings with record merchandisers. Those that have set up stumbling blocks, or have chosen not to deal with merchandisers at all, have found their businesses dwindling. The record merchandiser needs the distributor! The progressive distributor needs the progressive record merchandiser!!

How can we best combat the name-calling, distortions, and misstatements of fact that are hurled at us with each new issue of some trade publications? Should we fight back and call some names of our own—No. The members of NARM will not resort to these tactics. We must continue in the same manner that we have in the past. We must work together and learn together. We must, as always, strive for better and more efficient methods of doing business—and most important of all, each and every member must operate in accord with the high standards set forth in the by-laws of NARM.

We, as record merchandisers, are far from perfect. We have much to learn—some far more than others. We have constantly been striving for a better position within the industry. Let this not have been in vain. Today, more than ever before, we must continue and renew efforts to establish a higher degree of responsibility for the entire record industry. We shall pursue a policy of education—of edification—rather than name-calling. Through advertising, publicity, debate, and any means open to us, we will prove that:

There is no disgrace to the fact that the record merchandiser often finds himself in a tight money position. Any

dynamic, fast-growing business often encounters this problem. I'm sure Henry Ford didn't start with one million dollars, and I'm equally sure that he had his money problems in the beginning.

And we will prove that:

The percentage of bankruptcy in our field is far less than average for other businesses—and far less than the percentage of retail stores.

And that:

The business that the stores we service do is to a great extent a "plus" factor accounting for the biggest share of the increase in the record business as a whole, exclusive of record clubs. And that the exposure in these outlets has helped in no small way to create new customers for the entire industry, increasing the appetite of the nation for phonograph records.

Also that to create stumbling blocks for the record merchandiser, thus preventing him from effectively operating, would cause records to disappear from the exposure they are now getting in the supermarkets and other high traffic locations—and would thereby be a backward step for the industry as a whole.

We will prove that we have been instrumental in putting outlets very much back in the record business—and if it were not for our existence, these outlets would have long ago drifted by the wayside. One such outlet is the variety store, which constantly found piles of obsolete records in many of their stores—or unsaleable records, and now are going full force in the business with the combination of the merchandising service that the jobber performs, coupled with the guarantee he offers.

Also, that the guarantee is a very necessary part of our operation, due to the fact that the stores we service allow us to select the records that go into their departments, and therefore we must bear the responsibility for the saleability and take records back should they not sell.

# Girls, Girls, Everywhere

MILWAUKEE—Smash's Joe Dowell was engulfed in a wave of teen adoration when he appeared in the WOKY-Gimbels Teen Fashion Show here. Promoters reported that 1,800 girls showed up and that a second show had to be quickly arranged for the overflow crowd.

## Mercury Meets In Chi With 5 Distribs

CHICAGO — Mercury Records is bringing in five of its distribts to its home office in Chicago to meet with the Mercury staff this week (18). The meet, a continuation of a policy set earlier this year, will be held to discuss the record industry in general and it is designed to acquaint the distribts with Mercury thinking on industry needs and for Mercury to get the distribts viewpoint on industry needs.

The meets, which are held on a regular basis, are attended by all Mercury distribts on a rotating basis with approximately five or six different distributors taking part at each session. This meeting will see Mel Sterling of Joseph M. Zamoiski Co., in Baltimore; Bill Davis of Davis Sales Company in Denver; and Henry Hildebrand of All South Distributing Corp. in New Orleans among those attending.

The distrib meet will be followed by a meeting of the entire Mercury A&R staff on the following Monday (25). The A&R staff will be brought in to the Chicago headquarters to evaluate Mercury's recording program activities in the recent past and to plan the recording activities of the future.

Both meets, as have been those of the past, are highly related to one another. The distributors' meeting notes the trends and needs of the industry and the A&R meeting endeavors to find a solution and means to meet these trends and needs.

## Hong Kong Has Its Bootlegging Woes, Too

NEW YORK — The disk industry in Hong Kong, like its counterpart, is also having bootlegging problems. Hong Kong police, Cash Box has learned, recently seized a shipment of between 10,000 and 20,000 counterfeit disks of American and Hong Kong hits on board a freighter from Taiwan. According to a disk retailer there, the phony records from Taiwan, which sold at 20 to 25 per-cent below regular prices, had seriously affected business for six months. A hit deck in Hong Kong has a total sale of about 15,000. Reps of American labels in Hong Kong are reportedly going to take-up the bootlegging matter with Taiwan authorities.

## Capitol Issues 3 Stereo Tapes

NEW YORK — Three 4-track stereo tape releases are due from Capitol Records this week. They include Stan Kenton's "West Side Story," George Shearing's "The Shearing Touch" and "Hawaii-Calls: Greatest Hits" by Webley Edwards and Al Keoloha Perry.

## Joe Higgins Dies; Vet Disk Exec

NEW YORK—Joseph P. Higgins, disk industry exec for more than half a century, died at Polyclinic Hospital on Sunday, September 11, of cancer. He was 72 years old.

Higgins' career spanned 52 years in the recording industry. A Columbia Records exec since 1934, he was responsible for the first sessions of many top artists, including Harry James, Benny Goodman, Kay Kayser, Glenn Miller, Duke Ellington, Artie Shaw and Sammy Kaye. Higgins was affectionately known to veterans of the record industry as "Uncle Joe," and on October 21, 1959, a banquet was given in honor of his fiftieth year in the industry and a special LP record of the proceeding was released by Columbia.

Born in Minooka, Pennsylvania in 1889, the oldest son of a coal miner, Higgins worked in the coal mines as a youth, then came to New York in 1909. For a while, he worked as a Western Union messenger and while delivering a telegram to the Victor Recording Company, he was asked his opinion of a recording. His comments so impressed C. G. Child, then manager of the company, that he was offered a job.

Higgins remained with Victor until 1934, when he joined the American Record Company as director of the pop repertoire department. The American label was purchased by Columbia in 1938 and Higgins served variously as director of Columbia's Hollywood division and as liaison between the company and various music publishers.

Survivors include his wife, Sarah and his son, Robert, treasurer of Broadcast Music, Inc. Funeral services were held last Wednesday (13) at St. Luke's Roman Catholic Church, White-stone, N. Y.

## Columbia Names Regional Promo Mgr.

NEW YORK — Glenn E. Miller has been named regional promotion manager at Columbia Records, according to an announcement by field sales manager Joseph Lyons. Miller will be responsible to Lawrence W. Owens, regional sales manager, for sales promotion activities in Detroit, Indianapolis, Peoria, Chicago, Milwaukee, Des Moines, Kansas City, Minneapolis and St. Louis. Before joining Columbia, Miller was with Quad-State Distributor Co., Columbia's distrib in Des Moines, for two years.

## Capitol Inks Jerry Keller

NEW YORK—Songster Jerry Keller, who clicked on the Kapp label in 1959 with "Here Comes Summer," has been inked to an exclusive pact with Capitol Records, according to Alan W. Livingston, veep for creative services. His first single, just released, is "Be Careful How You Drive Young Joey" and "Never Wake Up." Keller is now in the Army with the radio and TV section of the Army recruiting publicity center in New York and has two network radio shows. His sessions are done by A&R producer Manny Kellern.

## McGuire Stay As Team

NEW YORK—Murray Kane, manager of the McGuire Sisters, last week emphatically denied rumors that the larks were breaking-up. Rumors were brought about by the announcement that Phyllis McGuire was to make her musical-comedy debut in a five week summer-tent tour of "Annie Get Your Gun." This meant, the rumors said, that she would henceforth perform as a single, with her sisters announcing their retirement. Kane noted, however, that with the "Annie" tour completed last week (16), the gals were back together preparing for a TV show, an engagement in a London nitery and their semi-annual appearance at the Desert Inn in Las Vegas.

## Snider's NARM Speech

(Con't. from page 31)

We will prove that we are wholesalers that offer many services, to mention a few:

1. We select, through our buyers, the best available recordings from the mass of product being offered today and everyday.
2. We supply the fixtures to the store we sell—also sign work and promotional racks.
3. We wrap and seal the record in polyethylene.
4. We pre-price the record.
5. We physically inventory the record department in the stores we sell, on a regular basis, usually weekly.
6. We offer a 100% guarantee or guarantee exchange.
7. We pick up non-sellers weekly, for full credit.
8. We rotate the merchandise.
9. We offer promotions on a regular basis, many of which we design ourselves.

These are just a few of the services we offer—and without these most of our customers would not be in the record business—and if they were not, the record business would suffer.

I could continue on and on. Each of you, as record merchandisers, knows the facts. The basic point is this: WE MUST MAKE EVERYONE IN THE INDUSTRY AWARE OF THESE FACTS!

## DENMARK

Danish evening daily Ekstrabladet arranged a vote to find "the most popular record of the summer." The paper engaged a jury of 12 teenagers who had to go through more than 200 songs from records released this year. After a day of listening to records, the jury voted Ricky Nelson's "Hello Mary Lou" the winner. Ekstrabladet arranges this kind of vote several times a year, and the paper gets thousands of letters from teenagers who want to be members of the juries. According to Knut Mørk of Mørks Musikforlag, distributor of Ricky Nelson's records in Denmark, this occasion is awaited with great interest by everybody in the trade in Denmark.

Coming up strongly on the Danish Best Sellers is "Manhattan Spiritual" with Francis Bay and His Orchestra on Philips. This week the record appears in the 6th spot in the Top 10.

Eigill Svan from the Tivoli-Varieten, the Tivoli amusement spot in Copenhagen, to U.S.A. looking for talents. However, Svan has great plans, and among artists he hopes to be able to present at the Tivoli next year are Frank Sinatra, Dean Martin, Sammy Davis and Shirley MacLaine.

## NORWAY

Norway is the first country where Philips has taken over distribution of Mercury records after Philips took over the label. However, behind this is an agreement between Norwegian record company Brødrene Johnsen A/S and Philips of Norway, according to which Brødrene Johnsen distributed all its records through Philips. Except of the distribution agreement, the two companies continue as rivals at the market as two independent companies. Brødrene Johnsen A/S, headed by Peer Johnsen, is Norway's oldest record company, and represent the following labels: Mercury, Pye, Vox, Fonit, Amadeo, Cetra, Rondo, Tono and Vanguard. According to Haakon Tveten of Philips, the new agreement started September 1.

Chat Noir in Oslo presented their jubilee show "Vi jubler," celebrating the 50th birthday of the theatre on Sept. 1. The founder of the theatre, Mrs. Bokken Lasson, was guest of honor at the opening and introduced from the stage by Leif Juster, the male star in the show. The female lead in the show was given to Sølvi Wang, record star at Triola and member of the vocal group The Monn-Keys, and she made a very strong impression with all numbers given to her. Ballet and dances were instructed by the American Gene Nettles from Princeton University. Cash Box was invited to the gala opening, attended by representatives of the Royal Family, the Prime Minister of Norway, and almost everybody in show biz who was available to attend the show.

Coming up very fast on the Norwegian Best Sellers is "Violetta" with Ray Adams on Manu and "Johnny Remember Me" with John Leyton on Top Rank, the two records sharing 10th place this week. Ray Adams is Norwegian, known here as Ragnar Asbjørnsen, who seems to have an international hit with his "Violetta." The Top Rank record moved from 26th to a shared 10th place during the last week.

Arild Berggren of Philips, Norway, told Cash Box that the firm's recording artist Erik Bye has a radio program every Saturday on which he sings sailor songs, a repertoire which is very popular in Norway. Bye will also be recording most of the songs he presents in his programs. Alf Prøysen has also made a comeback record for Philips, and is expected to have another top seller in near future. According to Berggren, the four LP's of classic Norwegian music, recorded last summer, is expected to be released around Oct. 1.

I have been asked to make a correction re. Manu and the newly formed Viking Music. As reported a couple of weeks ago, the record company and label Manu was to join Viking Music. This is wrong, however, as Manu will continue, its records being distributed by Egil Monn Iversen A/S. The distributor of the records made by Viking Music has not yet been chosen by the company, according to Jörg-Fr. Ellertsen of Egil Monn Iversen A/S.

## SWEDEN

EMI has started a record club in Sweden. The name of the club is Nordisk Grammofonklubb, and the start was made on Sept. 1 in Sweden and is expected to start Sept. 8th in Denmark. According to a letter sent by the EMI Swedish head, Anders Holmstedt, to retailers in Sweden "the idea is not to kill the normal sales channels as much as to stop the activity of other existing clubs, some of them being active on more or less dubious grounds. If this EMI record club can force other so called record clubs to stop their activity in Sweden, business here can return to old and normal methods," according to Holmstedt. Members in the new club can buy three LP's at 29.50 when they join the club, they get a fourth record free. Only records from the EMI company, with the labels Capitol, HMV, Odeon, Columbia, MGM, Mercury, Riverside and Jazzland, are available to the Club members. EMI is looking for cooperation with the retailers, as the latter are offered 18% of the sales income when they advise EMI about new members.

Konsum, the country-wide Co-Operative sales organization, caused some interior disagreement when it decided to drop record prices with 15% in Stockholm a couple of weeks ago. Konsum is selling records in its stores Kvikly and in PUB in Stockholm and also in its countrywide chain of stores known as Domus. The latter, however, is not willing to join this 15% reduction, and, according to Erik Drotz of Domus, "a record retailer of today has not such a good profit that it is possible to take such a step." Since Domus belongs to the Konsum organization, the customers in Domus seems to have taken it for granted that Domus has followed Kvikly-PUB when they dropped the prices.

This price change has also caused a lot of activity among record retailers in Sweden. There is an organization known as GHF (Svenska Grammofonhandlareföreningen)—Swedish Record Retailers' Association—to which only very few retailers belong. However, according to spokesmen who are members of GHF, "this organization for years has existed only on the papers but been unable to do any activity at all."

When Cliff Richard appeared in Sweden recently, a member of his orchestra wrote home to a British magazine: "... at our arrival it rained so much that the plane had to make the landing 30 miles from the airport where she should have landed. We were very surprised to find that interest in rock 'n roll was so high in Sweden that Cliff Richard had to change his program and sing some rock numbers he has not been singing for a long time now."

# FRANCE

The Johnny Hallyday contract affair remains the main subject in the columns of the music and record reviews and in the conversation of record people. We mentioned last week that Hallyday, and also his father, it seems, has signed an agreement with even a third record company and that firm was Barclay. Eddie Barclay also appears ready to sue and his contract has the merit of having been signed even before the singer came to terms with Philips. Well, it's all clear as mud and it is up to the judges now to find their way around in this affair.

Eddie Barclay had a visit from Yvan Mogull for the purpose of discussing the publication of Mogull-owned songs in France. Mogull was in Paris for only a few days, but it marked his 4th trip to Paris in 18 months! During this time, he has had quite a few tunes which have become hits, including "Itsy Bitsy . . ." "Dis-lui que je l'aime" ("Tell Laura I Love Her"), the best of Richard Anthony's latest waxings for EMI, and "Pony Time" which all the rock artists have cut including Hallyday, Hedika and Les Chaussettes Noires (whose popularity and record sales continue to soar). Mogull attended a Dalida record session while here to hear her wax another of his tunes, "You Can Have Her." It is reported that J. Hallyday will also record this song . . . on the Philips label, we suppose . . . and R. Anthony (EMI) plus Vince Taylor (Barclay) may also include it on their next issues. To finish off his Paris stay, Mogull met with Lucien Morisse (Europe No. 1) and with C. Marouani (EMI) and J. Wolfsohn of Vogue-Alpha. With the latter, he discussed eventual granting of the rights to four tunes already recorded elsewhere by Elvis Presley. Mogull left Paris for New York via Belgium. People are going to end up saying that Ivan is the most "Parisian" of all the U.S. music publishers.

Claude Wolf is back at his desk at Vogue after a short absence during which he rested, married Petula Clark (Vogue), promoted a series of rock'n'roll concerts in collaboration with Leroux, etc. And speaking of Petula Clark, let's note that she expects a happy event at the end of the year which is keeping her away from the stage for a short while, but her record career knows no pause. The "marin" song which she has also recorded now in an English version is a current best-seller (as is the dinking by Les Compagnons de la Chanson).

Vogue's Leon Cabat has discovered a new singer. She's 17-year-old Jacky Seven from Belgium and Cabat is sure that she will make star status before the end of the season. Well, the end justifies the means and Cabat is placing all the means he has at the disposition of Jacky, who has waxed her first four tunes—there titles are being kept secret. A sort of Jacky bomb, we guess.

Though Sydney Bechet is no longer with us, his works live on and it seems possible that Vogue will have another top hit with his version of "Dardanella," after a few plays on the radio, is off to a new start. That makes lots of work, for Vogue has announced that for three more weeks there will be no new releases on the label.

It's another story for the team of Pier and S. Chevallier at Tutti publishers, who are on the look-out for new tunes to propose to Hallyday. Remember that Tutti Editions belongs to the Philips enterprises. Meanwhile, J. Plante's adaptation of "Jealous Of You" will get waxings by Dalida and The Blue Diamonds. The Drejac adaptation of "Sunset" will retain the original title. Recordings already on the market include those by Billy Nash (Philips), J. Mengo (Pathe) and A. Gate on Festival. A curious tune called "Too Big For Her Bikini" will have a French adaptation by Salvat and Morisse and it is possible that Dalida will add this one to her repertoire.

Before the holidays, Guinsbourg (Philips) wrote and recorded a really beautiful song called "La Chanson de Prevert" which was later recorded by Isabelle Aubret (Philips) and Michel Arnaud (Pathe). Others are recording the tune and it seems to be slated to become one of those typically Parisian numbers which could acquire international popularity along the lines of "Les Feuilles Mortes" ("Autumn Leaves").

Marnay and Stern have composed a new vehicle for Jean-Claude Pascal (EMI) called "Fleur du Dimanche."

Christian Guitreau, composer-lyricist and singer to boot, has signed an exclusive agreement with Tutti Editions for the handling of his compositions, although it is not yet known on which label he will make his debut.

The original music track of the film "Lafayette" has been sold in almost all the European countries, and even in Japan, we are told. Singer Rosalie Dubois (Ricordi) was seriously injured in an automobile accident and is hospitalized. Her current tour has been interrupted as a result. Maya Casabianca (Philips) was similarly injured a few months ago and is on the road to recovery. On September 23-24-25, the Mediterranean Song Festival will take place in Barcelona under the auspices of Spain's national Radio chain. Among the French songs chosen is "Dans le Cr  ux de ta Main" to be sung by Jacqueline Nero (Bel-Air) and Jeantal (Philips).

# NEW INTERNATIONAL HITS FOR NEW SEASON

# GUITAR TANGO

Editions Philippe Pares et Tutti  
49 rue Laffitte, PARIS

## GERMANY

The fall season has officially begun, and the records are pouring off the presses. New artists and the old favorites are readying new products, eyes are glued to the hits from America, France, England and Italy to see what should be available for this market. It's going to be exciting this year and Cash Box will be on hand at every major event to tell you about it.

Electrola recently presented a "Silver Dog" to South German Folk music specialist Alfons Bauer for selling 1 million records in Germany and America. Alfons continues to sell tremendous quantities of records to countries outside of Germany and is also very possible here at home.

Rex Gildo just returned from England where he watched with interest the "My Fair Lady" show there. Rex will play in the German version of the top musical opening soon in Berlin. He's playing the romantic lead and will sing "I Could Have Danced All Night" in the show.

Metronome topper Börge Ekberg writes that Carl Ulrich Blecher is very happy about his first production with Siw Malmkvist on the new top hit "Schade, Schade, Schade" a rock waltz which is swiftly climbing the charts. The song was written by a new 23 year old Berlin composer and it looks like it could be even bigger than "Danke Für Die Blumen" which enjoyed a long chart run here.

One of the most exciting songs of the season has once again originated in Germany. Heino Gaze, who turned out the world hit "Calcutta," wrote a new song called the "Berlin Polka" and the song was recorded by Kurt Edelhagen for Polydor. The Song Edition, which is Heino's own publishing house, published the song. Then Heino gave the tune to Paul Siegel, who landed a date with Billy Vaughn under the title "Berlin Melody" and the rest is history. The song is on its way to the top in both Germany and America. Heino also reports that Connie Stevens visited him and picked out an old evergreen called "La-Le-Lu" which she has recorded. The song sounds like it was written for the gal, and could develop into a top hit.

Paul Siegel is also a busy guy these days. He has just signed a new contract with Dave Gordon of Marlen Music to handle the catalog in Germany. Herb Gottlieb of ASCAP on the west coast set the deal for Paul which includes film music from such TVers as "Lassie," "Micky Spillane," "The Frank Sinatra Show," "Richard Diamond," "Alfred Hitchcock" and many others. There's over 2 million feet of TV background music involved in the deal and composers such as Pete Rugolo and Andre Previn also have much material included in the deal. For the new hit "Berlin Melody," Lennie Hodes of Criterion Music will be printing sheet music and handling collections for Paul's Symphony House Music in America. Paul's also set for a new job with a top international firm. We'll give the details when the deal is complete.

Hans Gerig reports that his Carlton Music is also working on "Berlin Melody" which they have for Germany.

Gerd Hammerling of Schaeffers Music reports that he is heading to Athens for talks with Manos Hadjidakis who has 2 new hits riding for him here after his world wide success with "Never On Sunday." After the Athens jaunt, Gerd and his boss Peter Schaeffers will leave for N.Y. on October 10 to visit on business. Gerd also reports that Polydor star Lolita has recorded her first German evergreen in "Ein Strauss Vergissmichnicht" (A Bouquet Of Forgetmenots).

Rudy Schroeder of Meisel Music reports that the new Paul Kuhn waxing of "Adieu Mamatschi" is due for hitsville and Rudi is working hard on the song. The Floridas have also recorded an evergreen from Will Meisel which will be out shortly.

Rolf Budde from Budde Music is on his way to the U.S.A. at present and will visit Warner Bros. in Hollywood. Rolf will also drop off in N.Y. for talks with top publishers.

Al Julia reports that a new song from him and Fred Jay called "Why Did You" or "So Schön Ist Die Liebe" has been recorded by Telefunken star Lys Assia and has already been released in Germany. An English recording by the gal who started such world hits as "Oh My Papa" is in the works.

Philips records reports that Willy Hagara has been signed to sing the 1961 song for the TV lottery. All proceeds from the lottery and the song will go to the Berlin Orphans for a vacation in the West. The song is called "Do Like Aladdin" and will be broadcast daily over German TV.

Michel Legrand has been signed for the musical direction for a new German film called "The Dream Of Lieschen Müller."

Dave Brubeck is set for a German-Switzerland trip in November. He'll do concerts in 9 major cities here.

Palette records started the new season with a bang by releasing a German recording by Belgium star Lou Neefs and the first German recording of the Belgium rock group The Cousins. The Cousins already had a big hit here with "Kili Watch" and this could be even bigger.

The race is on for the German hit version of "Michael." Since the number is public domain, everyone is rushing out his version of the song. The first to reach the market is a Polydor waxing by The Tramps under the title "Am Missouri." This is one of the first recordings of the new producer—A&R man Udo Bowine, and it looks like big time. The song is expected to have a huge success on this market as did "Tom Dooley" a few seasons ago. That's it for this week in Germany!

## ENGLAND

The latest bid to bring **Elvis Presley** to these shores has failed. An offer of £89,000 for a 40-minute show plus considerable expenses and 75% of any tele-recordings made by impresario **Brian Delorme** has been declined. Presley's manager, **Colonel Tom Parker**, informs that prior commitments make a visit to this country impossible. Meantime the star's latest release "Wild In The Country" stands at No. 3 with sales exceeding 270,000 in its first week.

Two of the first British LP's on the Philips label to be released in the States on Mercury following the recent merger will be **Frankie Vaughan's** "Let Me Sing And I'm Happy" and "The World's Favorite Piano Music" by celebrated duettists **Rawicz and Landauer**.

Actor-singer **David Kossoff** signed a new contract with **Pye Records**—first session scheduled for the end of the month. Established actor of stage and screen, Kossoff entered the recording scene in August 1960 on the Oriole label. Specializing in cockney songs he waxed a 12" LP "Larkin Singin'." His second and last single for Oriole, "Don't Have Any More Mrs. Moore," has just been released.

The surprise success of **Lonnie Donegan's** cockney flavored "Chewing Gum" disk in the States for which **Pye** is anxious to find a follow-up suggests that Kossoff's cockney style might do equally well in America.

Another new artist to sign with **Pye** is 18-year-old **Donna Douglas**, whose debut disk on the Piccadilly label is "Tammy Tell Me True" from the film of the same title. **Ruby Murray** has also recorded the song on Columbia.

Two more British artists to receive silver disks for sales exceeding a quarter of a million—**Helen Shapiro** with "You Don't Know" on Columbia published by Lorna Music, and **Eden Kane** with "Well I Ask You" on Decca published by Essex. Both disks reached the No. 1 slot and are still high in the charts.

Publisher **Ben Nisbet** of **Feldmans** delighted to see "Kon Tiki" by **The Shadows** on Columbia shoot into the charts. Sales indicate that the group are well on the way to their fourth silver disk. Previous awards for "Apache," "Man of Mystery" and "F.B.I." Feldman also has **Bobby Darin's** fast climbing American hit, "You Must Have Been A Beautiful Baby," for release here on London. Good to hear from American publisher **Paul Siegal** in Berlin. It's not the crisis that keeps him awake but transatlantic calls from **Dot Records** President, **Randy Wood** in California, reporting 300,000 waxings of **Billy Vaughn's** "Berlin Melody" on the move all over the U.S. From the pen of top German composer **Heino (Calcutta)** Gaze the number is published in the States by Siegal's Symphony House Music Publishing Corp. Paul reports enquiries from London, Brussels and Paris.

Visitor to the **Cash Box** office, **Bill Downs**, in London to finalize plans for **Mark Wynter's** New York stop off following his return visit to Australia at the end of the month. Downs, who manages **Mark** in America, already has two coast-to-coast TV shows lined up—"The Dick Clark Show" on November 10 and "Saturday Night Prom" for NBC hosted by **Merv Griffin** on November 11.

**Louis Benjamin**, joint general manager of **Pye Records Ltd.**, leaves for a two-week visit to New York on September 21.

Publisher **Howard S. Richmond** of **Essex Music** arrives in London this week for his annual European trip.

**Prince Littler** has resigned his chairmanship of **Associated Television Ltd.** but will remain on the board of directors. He has been succeeded by **Sir Robert Renwick K.B.E.** **ATV**, the London week-end and Birmingham week day TV contractors also have overseas interests in Australia, the United States and Canada.

Following its success at the **Edinburgh Festival** **Kurt Weill's** opera-ballet, "The Seven Deadly Sins," is to be seen at London's **Sadlers Wells Theatre** for a limited season, again starring **Cleo Laine**.

Four British titles top the **Best Selling Sheet Music** lists this week. "You Don't Know," **Helen Shapiro** on Columbia (Lorna), "Reach For The Stars," **Shirley Bassey** on Columbia (Kassner), "Johnny Remember Me," **John Leyton** on Top Rank (Monique) and "Romeo" **Petula Clark** on **Pye** (Feldmans).

**Radio Luxembourg's** extended programs from 12:30 a.m. to 3:00 a.m. bowed last Sunday (17). The early morning show will be transmitted on all three wave bands of **Radio Luxembourg**. Announcements will be made in English, French and German with limited 'spot' advertising, and programming will consist of music specially suited to the small hours.

American swinging star **Francis Faye's** successful cabaret season at **Bernard Delfont's** Talk of the Town has been extended yet again. Originally booked for a month, **Miss Faye** is now in her eighth triumphant week. During the first year of his 'Big Star' policy **Delfont** has presented **Eartha Kitt**, **The Andrews Sisters**, **Max Bygraves**, **Lena Horne**, **Sophie Tucker** and **Johnnie Ray**, attracting 150,000 visitors from all over the world. Over 3,000 LP's by these stars have been sold at the venue.

The celebrated violinist **Yehudi Menuhin** this month completes his 30th year of recording for **HMV**. During this time he has recorded over 200 works and to mark the occasion, **EMI** chairman **Sir Joseph Lockwood** will present him with a golden disk of the 1st Movement of **Elgar's** Violin Concerto recorded by **Menuhin** at the age of 15 with the composer conducting.

**Matt Monro** has a tight American schedule lined up. Opening a month's cabaret engagement at **New York's** Round Table night spot on October 2nd he appears in an **Ed Sullivan** TV show on October 15, to be followed by more cabaret at **The Metropolitan Hotel**, Windsor, Ontario and **The Erie Social Club**, Philadelphia. **Matt** returns to England for his British cabaret debut at **Room At The Top** on November 12th.

Composer **Jule Styne** flew in to meet London cast of his musical "Do Re Mi," opening at the **Prince of Wales Theatre** on October 13. **Jimmy Henney**, exploitation manager of **Chappells**, which has the score, is delighted with the reaction to the songs already waxed and released. These are "What's New At The Zoo" by the star of the show **Max Bygraves** on Decca, and "Make Someone Happy" by **Perry Como** (RCA), **Doris Day** (Philips) and **Steve Arlen** (Parlophone).

A number of original hits from **Cash Box** Top 100 are featured in the latest releases from **EMI**. On Columbia comes **Paul Anka's** "Cinderella," on **HMV** **Adam Wade's** "If I Didn't Know" with a cover version by **Mike Preston** on Decca. Also on **HMV** is **Brian Hyland's** fast climbing "Let Me Belong To You" and **Tony Osborne** and his Orchestra with "Mexico"—the original Stateside version by **Bob Moore** is out on London. The Decca group also have "Mountain's High" by **Dick and Dee Dee** "I Like It Like That" by **Chris Kenner**, while **Johnny Tillotson** comes along with a powerful ballad "Without You." Also on London "Let The Four Winds Blow," by **Fats Domino** and "Amor" by **Ben E. King**, "Sad Movies" by the **Lennon Sisters** and **Wink Martindale's** "Black Land Farmer." On Top Rank, **Freddy Cannon** waxes "Transistor Sister" with a cover version by **Robb Storme** on Decca. **Gary Mills** covers the Stateside hit "Bless You" and the original by **Tony Orlando** is issued here on Fontana, the label who introduces a new group **Chris Dors** and the **Del-Fi's** with "They Called It Love." Another new group of six young men, **Sounds Inc.**, make their disk debut this month on Parlophone with two original numbers "Mogambo" coupled with "Emily." This group has accompanied many famous artists including **Gene Vincent**, **Mike Preston** and **The Brook Brothers**.

## JAPAN

**Victor** is entering into a completely new field by cooperating with a musical instrument maker, according to the joint briefs issued by the **Victor Company** of Japan and **Zen-on Gakki Seizo Kabushiki Kaisha** (Zen-on Music Instruments Products Co., Ltd.). The firm's new business includes distributing pianos and organs which are the products of **Zen-on Gakki**. **Zen-on Gakki**, whose president is **Teiji Shimada**, has sales between 20 to 30 million yen yearly.

By the end of this year, **Zen-on Gakki's** production rate will be heightened to twice that of today, which is 100 pianos and 1,000 organs monthly. In the meantime, all the distributing business will be handled by **Victor**. These products will be sold to 300 music stores which are selling **Zen-on** products and also about 10,000 record or electrical tools stores which are contracted with **Victor** are expected to take part in doing so.

Therefore, the trademark will be changed into **Victor Zen-on**. In the future, they are planning to expand the factory to bring out electric organs, pianos, organs, etc. The first products of "Victor Zen-on" are going to appear on the market next spring or so. **Zen-on Gakki** was established in 1951.

**Warner Bros.'** films and records have been tying in very effectively here in advertising films and disks these past months. One thing they do is release tunes before the opening of their concerned films. Distribution is being handled by **Columbia Records** and movies by **WB** films, Japan. The "Parrish" LP soundtrack was released on Aug. 10. The film "Parrish" opened here on Sept. 9. **WB** films and **Columbia Records** will keep up this kind of operation, which was proposed by **WB** records' international director **Robert Weiss**. Our previous report interpreting **Columbia's** stand as reluctant to carry this plan should be amended. By the way, their "business for **WB**" is going to include the publishing field which will surely make the operation more effective.

Strangely enough, **Columbia** will add two more new versions of "Yama-no Rosaria." The firm is now selling two different versions of this tune by **The Three Glases** and **Midori Satsuki**. New ones recorded by **Setsuo Ohashi** with his **Honey Islanders** and by **Hiroshi Inoue** will be out soon. This one is coming up on our chart.

**Toshiba** is advertising that **Chris Conner**, and **Les Paul & Mary Ford** are coming to Japan this year. **June Christy** was once here to entertain American GI's, but no public appearance was available at that time. **Ichiro Wakahara**, King's singer of local tunes, established his "Hitomi Productions" and started to do business as of Sept. 1.

On Sept. 25, **Teichiku** will release two stereo pop singles, "Exodus" by **Yoshitaka Akiyoshi & his Quintet** featuring **Fumio Matsumoto** on trumpet, and "Gunkan Maachi (Warship March)" by the **Fire Defense Board's Band** with **Seigo Naito** conducting. These are the second releases of stereo singles, as far as local pops are concerned, for **Teichiku Records**. The following release of this kind will be on Oct. 10.

**Daiei** Films just finished its shooting of "Suttobi Jingi" at ancient **Kyoto** City. Singer **Yugio Hashi** is the actor starred in this color picture which will be released throughout the nation. His **Victor** version of the same title is very popular now.

**Teichiku** recorded "Ginza-no Koi-no Monogatari" by **Eiji Kitamura & his Quintet** and will be out shortly. The tune was a hit a few months ago by **Yujiro Ishihara** (Nikkatsu film star) with **Junko Makimura** on the same label. The **Four Lads**, **Kapp** songsters, are now singing in this country.

**Toshiba** will reissue some selections from among those which are out of press now. First release of this kind will come at the beginning of next month with three classical 12" LP's, both on mono and stereo. These are "Leonole No. 3 and Symphony No. 5 (Beethoven)" by the **Berlin Philharmonic** and two other LP's. Retail price is 2,000 yen (stereo) or 1,500 yen (mono) which is 300 yen cheaper than the regular price.

## BOVEMA

First sales-convention was by Bovema L.C., held in the beautiful surroundings of the country-seat "Meer En Berg" at Heemstede. Many of the most important dealers of the country were present. This time the convention was organized in an enormous, festively decorated tent in which all Bovema-labels, Columbia, HMV, Capitol, MGM, Pathé, Warner Bros. and Imperial had their own self-designed sales-stands, built up alongside the entrance. Furthermore, there were departments for "Music Minus One," record boxes and publicity. Thousands of labels, bouquets and other big pictures decorated this "Bovema-Oord," in which also the record-shaped stage was a wonderful background for the various highlights of the program.

The many guests applauded Mr. Gerry M. Oord's inaugural speech, in which Bovema's president gave a clear survey of the plans and actions for the coming season '61-'62. Oord announced the first Columbia-recording of the Dutch Stringorchestra Benedetto Marcello, which specialized itself in 18th Century-barokmusic. The orchestra played three concert-pieces after Oord's announcement and presentation of the new LP to the guests.

The great pianist Hans Richter Haase then demonstrated the many possibilities of "Music Minus One" with a part of the 3rd piano concerto by Beethoven, as an introduction to these new series, in which one special solo part has been left out. Popular music was, in this case, represented by Imperial's Shirley and Pathé-clarinetist Ad v.d. Hoed. The Bovema M.M.O.-series were wittily presented by critic Paul Chr. van Westering. Bovema also launched its "Gulden Plaat," a 10"-LP with musical fragments from H.M.V.—and Columbia's record series "Gramophonehouse Klassieken," which can be bought during a couple of weeks for just one guilder, together with one LP from these series.

There were musical contributions from opera-soprano Wilma Driessen, pianist Cor Steyn, Max Tailleleur, the Quintetto Capitol Di Roma, of which the first records have just been released on Columbia. The much appreciated program of the day was interrupted by regular intermissions, during which the open-air the-dansant in the pergola served as a good background for interesting sales discussions. In the afternoon, many dealers visited the label-stands to place their winter-orders.

The successful Bovema-Sales Convention 1961 closed with an extensive dinner-party, in the presence of foreign guests-of-honor L. T. Dines (BMI-England), Mr. Garin (S.A. Gramophone-Belgium), Mr. Veder (Electrola-Germany), Mr. H. Jacklin (Columbia-Switzerland), Mr. Mazzu (Pathé-Marconi-France), Electrola-artist Ruth Fischer and the well known Warner Bros.-vocalist Connie Stevens.

Connie Stevens, who charmed everyone with her enchanting personality, was specially invited for the occasion by Gerry Oord personally and she evidently enjoyed her first exclusive visit to Holland. She appeared on the stage and sang two versions of "I Can't Give You Anything But Love" and "Pennies From Heaven," thus giving all Bovema-people a proof of her great, famous talent.

## ANNUAL SALES CONVENTIONS IN HOLLAND

The two leading Dutch record companies Phonogram L.C. and Bovema L.C. just held their important annual sales-conventions, and this week's column will be entirely devoted to these two events.

## PHONOGRAM

Phonogram's 15th dealer convention ("Disco Dealer Dag"), organized and produced by Rolf ten Kate and Fred Hartog, in Hilversum's Gooiland Theatre, met with immense success. Around 9:30 in the morning, dealers from all parts of Holland arrived, and started with coffee and cake. This was 'musically illustrated' by the Jan Corduwener Quartet. An hour later, Theo Van Der Meer, Phonogram's managing director, opened the convention, after which some new series of records were presented. In the classical field, there were 10" albums (VR-Mono, VZ-stereo) and EP records (SE-series) with much requested music, both on Philips. On Decca: a wonderful "Kathleen Ferrier Memorial Series" (EP) and a series of SWL-records, which are stereo versions of bestselling records in the BR-series.

There was a very attractive presentation of the first LP of Dutch teenage star Ria Valk. This "El Rancho Grande" contains country evergreens in Dutch and English. Ria herself sang three songs from this Fontana-Album.

A new EP-series on the London-label has mostly modern jazz, played by the best musicians of the London-group.

Welcomed with great enthusiasm was a performance by the world famous Mastreechter Staar choir, which was presented with a gold record by Mr. Van Der Meer. This was for the Philips recording of its "Pilgrims Chorus" from Wagner's "Tannhäuser," which sold more than 100,000 copies.

The addition of some more pop albums in the Philips Surprise Series was presented by husband-and-wife team Teddy and Henk Scholten under the title "Maandagochtend Akkoorden." Dealers saw and listened to Jan Corduwener and his new sound (with two drummers: Kees Kranenburg Sr. and Jr.) and The Three Jacksons on their accordions. Tangos by the Malando Orchestra were illustrated by internationally famous Dutch pantomime player Rob van Reyn. Malando himself was there to play a couple of German tangos from his new album. A joyful pleasure to the eye was the "Boerenbruiloft," with Johnny Hoes' charming daughter Cesarine as the bride. This was a truly great wedding festival!

Next came parts from the new René Sleswijk National Musical Shwō "t Staat In De Sterren" (It's Written In The Stars), starring singers Willy Alberti and Corry Brokken (both recording for Philips) and Willy Walden and Piet Muiselaar in an act as . . . Josephine Baker and Marlene Dietrich! Others appearing were The London Starlets and the Bill Stanford Orchestra. Songs from this show are also heard on a new Album in the Philips Surprise Series.

At 1:30 p.m. there was an interval for lunch, with music by the Tom Erich ensemble and Juan Serrano and his orchestra. Gold records were presented by Mr. Van Der Meer to Ria Valk ("Tommy Uit Tennessee"), Zangeres Zonder Naam ("Ach Vaderlief . . .") and Johnny Hoes ("Och Was Ik Maar . . ."). Hoes had something to say too and was very happy with his gold record. His song, recorded a short while back, has proved one of the hottest quick-sellers in Dutch recording industry.

After these ceremonies, Fred Hartog presented his brandnew dealers show "Opname Vijf Tellen Na Nu," starring Tobi Rix, Herman Van Keeken, Anneke Grönloh, Conny Van Den Bosch, The Hotcha Trio (Philips), De Wama's, The Fouryo's (Decca) and The Stefani's (juggle-champions). This show, which every dealer can get against split-interest, met with great success.

At 4 in the afternoon, Rolf Ten Kate head of Phonogram's press and public relations department, announced a "One Man Show" by cabaret artist Wim Sonneveld, which lasted for half an hour. Margriet De Groot, Wim Sonneveld, Johan Kaart and orchestra-leader Dolf Van Der Linden of the Dutch "My Fair Lady" production, were delighted with a gold record, presented for the sales of 25,000 copies of the original Dutch production Album on Philips. This is quite a unique number for a Dutch Album! Mr. Van Der Linden remarked: "I never felt honored like that . . .!"

And after that, Van Der Meer closed the convention. Before they returned home, the dealers went to see an exposition of advertising material in the crushroom of "Gooiland." Each dealer went home with a box containing twelve miniature records of chocolate, in miniature covers of the Philips Surprise Series. A great day it surely was.

## Widening Horizons

STOCKHOLM, SWEDEN—Danish singer Brandenburg (right) is presented with a Swedish souvenir, a hand-carved wooden horse made in Dalecarlia, by Ivan Nordstrom, A&R man of Skandinaviska Grammophon AB (EMI in Sweden). The souvenir is representative of Brandenburg's new popularity in Sweden, culminating in a week of p.a.'s here. The singer is one of Denmark's leading disk artists.

## ARGENTINA

Besides its internationally famous Film Festival, the city of Mer del Plata, on the Atlantic coast, will have its First Argentine Song Festival, next January. Mar del Plata's regular population is about 200,000, but in summer (January and February) more than one million Buenos Aires citizens visit the city or spend their holidays there. This Song Festival—the first important one made here—will be controlled by the Government, which has already offered top cooperation to insure success. Cash Box will inform about every movement of this event, as many commercially suitable tunes may result from it.

Los Fronterizos have been invited to take part in the big "Record Gala Festival," celebrated every year at the famous Concertgebouw, in Amsterdam, Holland. Many European top stars—as Caterina Valente and The Blue Diamonds—will also perform in this event, considered one of the most important in the European music calendar. Los Fronterizos will also visit other countries, in a tour organized by Philips Records—their label—and the Argentine Department of Foreign Affairs.

The visitor of this week was Gino Menotti, from MGM's international division. Mr. Menotti visited Inter Bas—MGM's representative—and studied the position of his label in the market. Afterwards, he went to Chile, where he spoke with the people of Industrias Fonograficas Goluboff, which releases Metro records in that country. Connie Francis, who had to be here on August 24, didn't appear; however, Menotti said she will be here very soon.

Baby Bell recorded "It's Always Sunday" (leit motiv of the picture of the same title) in Spain. Augusto Alguero, well known Spanish publisher, wants her to start a TV program with Antonio Prieto, in Madrid. Besides, she has received five offers from Venezuela, to perform there.

Eladia Blasquez, famed Spanish music songstress and composer, is little by little changing her line, and turning to modern tunes. She is now recording a new LP for RCA.

Fermata believes "Come September" may become a big hit very soon, and is giving the tune plenty of promotion. The title in Spanish will be "Tuyo en Septiembre."

Last from Philips: Los Maticos, recently inked by the label, have waxed "La Pachanga de Moda"; Tito Alberti and his tropical band cut "El Terere"—announced as new rhythm—and "La Jarana," while Ceumar Rios (Brazilian songstress) has just recorded "Que Facilidad" and "El Amor y La Rosa."

American tunes are returning to popularity in Argentina, after a period of absence from the charts. "Runaway" is really a good hit, and "Little Devil" and "Calendar Girl" are showing very good sales, too. Paul Anka's "Tonight, My Love, Tonight" hasn't been as big a success as some of his other songs ("Adam and Eve," "Diana"), but has conquered new fans for Paul, especially in the provinces, where he was less popular than in Buenos Aires. Now, his "Dance On, Little Girl" and "Cinderella" may beat the charts in a loud way. We must also remark that "And The Heavens Cried" (Y los cielos Lloraron), waxed in Spanish by Tony Vilar (Columbia) in the Anka style, may also become a big success in a few weeks, as it is showing very promising sales.

TV Channel 9 premiered "Peter Gunn," which hasn't been shown here before. RCA has already released the album with its music, composed and directed by Henry Mancini.

Los Cuatro Duendes, the good Chilean vocal group, are currently in Buenos Aires, performing on Casino Philips (TV Channel 13). The same program is also presenting Francisco Canaro, the tango orchestra director, and Portuguese singer Tristao Da Silva.

Los Cinco Latinos—vocal group—will appear on the Ed Sullivan Show October 11. They are now finishing a world-wide tour that included Chile, Spain, Mexico, France, Greece, RAU and Italy, and lasted eighteen months.

Inter Bas released the last Sucu-Sucu written by its author, Tarateño Rojas. The title is "El Gordo Panzon" (The Fat Man) b/w "Sucu Sucu Over the World."

Before beginning his Centro American tour, Roberto Yanes recorded a tune composed by Waldo de los Rios: "Espectros," which may be a smash hit. Waldo is currently working on TV, Channel 7, and has recently composed the music for "Alias Gardelito," a film directed by Lautaro Murua.

### CHILE

The September 18, Independence Day of Chile means every year a revival of folk music that brings very good sales to this type of records. This year, RCA Victor has released a new LP cut by Margot Loyola and two EP's waxed by Los Labradores and Los Sembradores; Philips released "Toy Güeno Pal' Mundial," dedicated to the 1962 World Football (Soccer) Competition, and Industrias Goluboff has prepared a 45 EP, although it doesn't record in Chile.

RCA announced the release of "Sweet Little You" by Neil Sedaka, and "Little Sister" by Elvis Presley; Philips will put in the market "Cinderella," by Paul Anka; some disk jockeys are already playing this record. Vogue issued "Kily Watch," by Johnny Hallyday, while Odeon recorded it by The Carr Twins.

Los Flamings have already finished a new LP with "oldies" recorded with new arrangements. This month they'll visit some Argentine provinces. Nadia Milton has been inked by Radio Corporation for a series of programs. Her visit to Argentina will have to be delayed.

## AUSTRALIA

Frederick Marks, executive director of Festival Records, began an extensive six-weeks world tour on Monday, September 11. Marks will visit Japan, England and the United States, during which time he will have discussions on matters pertaining to Festival's association with its various overseas affiliates.

Popular young English vocalist Helen Shapiro has her hot single "You Don't Know" released here now on the Columbia label through EMI. Another newie from EMI—on its London label—is Roy Orbison's "Crying." This one is really having exposure as a result of Orbison's visit to this country on a concert tour for Jim Noall.

The APRA (Australasian Performing Right Association) Bulletin just issued carries news of a building that APRA has purchased to house the complete and complex APRA organization. The building—an old solid construction in Clarence Street, Sydney—is to be re-modelled and plans for the alterations are already under way.

Ron Gillespie of W & G Records has announced the immediate release of a new "4 on 1 Super Disc" series. This is a range of 7" records with four complete numbers retailing at 10/., the same price as regular singles. First artist released on the new line is local star Johnny Chester; his two latest sides "Can Can Ladies" and "What A Night" are on the top side and his two previous chart sides "The Hokey Pokey" and "That's How It's Gonna Be" are on the lower half. Gillespie said that his company had the release planned prior to the recent announcement in Cash Box that Warner Bros. was releasing similar 7" disks in the United States.

Young English star Cliff Richard is set to tour Australia next month. Plans are being made to make this one of the biggest shows of its kind ever produced in this country. Over the past couple of years, Cliff has enjoyed fairly consistent disk success in Australia and during this period has won himself a strong fan following.

Kevin McLellan, manager of The Thunderbirds, and Johnny Chester, called Cash Box to report that his boys were a great success in Brisbane with the big concert show starring Dion, Ray Peterson, Tony Orlando and other artists. This is the first of several such shows that will feature The Thunderbirds as backing artists to imported acts and solo attractions in the main cities of Australia. Kevin was especially pleased with the reaction of the American artists towards the Australian support.

Jim Sutton, general manager of Australian Record Company, was in Melbourne recently visiting with Peter Sandford—Victorian Manager of ARC. Jim reported that Australia-wide acceptance of the recently launched United Artists label was excellent. Local record buyers showed keen interest in the Ultra-Audio albums which formed part of the initial U/A release in this country.

"Exclusively Yours," a television show hosted by popular Mark Wynter of England, is due for screening in some Australia states almost immediately. The show was videotaped during Wynter's very successful personal appearance season in this country some couple of months back. In addition to Mark Wynter, artists appearing include Col Joye, Patsy Ann Noble and Judy Stone—all prominent names in local TV and record circles.

With interest in "The Sound Of Music" growing each day as the Australian premiere of the stage production draws near, Festival Records have a lavish double-fold album released of The Trapp Family Singers entitled "The Best Of The Trapp Family Singers." The story is based on the lives of Trapp family. "The Sound Of Music" is set to open in Australia next month.

Jimmy Little has a new release on the Festival label which is tipped for big action. Both Australian compositions, top side is "Kissing Someone New" and the second half is "Mary Said." Little has been receiving plenty of exposure over the past couple of weeks as a result of the forthcoming release of the film "Shadow Of A Boomerang" in which he plays the leading role.

## ITALY

Krikor Mintangian, president of Durium, will leave on the Leonardo Da Vinci on September 23, and reach New York City on the second of October. He told us that it's a pleasure trip but we think he will not fail to contact the businessmen of the city. Krikor is regarded here as the most exciting and fascinating personality of our entire music industry. His stay will last some 15 days, and he can be reached care of Paul Marshall of Top Rank.

Connie Francis, hit name in Italy, arrived in Milan on September 14 for a ten-day tour.

Latest releases from His Master's Voice Italiana "Patatina" (Little Potato) the funny tune penned by Meccia for the last San Remo Festival—in the American version played by Eddie Calvert. The premier of the motion picture "The Guns Of Navarrone," already showing in New York, will be held in Milan on October 6. It's leit-motiv is performed by The Hollyridge Strings and will be issued shortly by VCM.

"You Are Mine" (our old Il Tango Delle Rose) performed by Joe Damiano was liked very much by the programmers of R.A.I. (the Italian Radio TV station owned by the State) and therefore it's likely they will put it on the air often and this is the strongest release a record can receive in Italy. Mr. Casetta of Bluebell deeply hopes to repeat the great success of "Forever" with this new waxing. Proof of his hopes is the fact that he chose a fascinating picture as a cover for the record (a girl just behind a rose) and has put on sale the record enclosed in a cardboard boxlet along with a plastic rose. The upper part of the boxlet is transparent and displays the record and the rose. Other new strong releases from Bluebell are "Cry, Cry, Cry" by Ritchie Valens; "Bad Boy" by Chuck "Tequila" Rio on Challenge; "Margarita" by Chuck Rio And The Originals on Challenge.

Mr. Giannini is happy to announce that Galleria Del Corso Record Company (GC) has hit the jackpot a second time with a #1 American Hit Tune "Tossin' And Turnin'" by Bobby Lewis. The first, "Pony Time" by Chubby Checker, is still going strong in the States and in Italy.

Other GC records selling well are "Sway" (Bobby Rydell), "Dalla Mia Finestra Sul Cortile" (Enrico Polito) "Le Cose Perdute."

"I feel certain," states Giannini, "that in view of the continually increasing popularity of Bobby Rydell's records in Italy, as soon as he appears on our national TV he will undoubtedly receive an overwhelming public acclaim. Thus, I feel sure that I will hit the bull's eye with Bobby Rydell as I already have with Connie Francis."

"Mule Skinner Blues," which has been a slow but really consistent hit in Italy, will shortly be followed by "Heart Breakin' Special" performed by the same group. However, this new number can hardly repeat the success of the first record.

I heard more than one publisher and record producer speak of the French tune "Brigitte Bardot." The piece is drawing much attention. The first recordings of it will come out shortly in Italy.

Little Tony, the fortunate boy on Durium, has toured all of our best beaches, appearing in the night spots and starring at the same time in two films.

Germano Ruscitto, formerly with Bluebell Records, is now handling Interdisc Italia, settled recently in Milan—Via Settala 20—. The many labels of the firm will be distributed across Italy as follows: G.N.P.: Dixieland; Jubilee; Prestige (Moodsville, Bluesville, Swingsville) through Ricordi's network of distribution. Bluebell, instead, will distribute Riverside, Good Time Jazz, Contemporary, and lastly Karim of Genova will handle World Pacific, Pacific Jazz, Jazz Land. As to the labels Hi-Fi, Fantasy, Arvee, nothing certain was decided as yet. Ruscitto, during my first visit to the new Milan office of Interdisc, said that new pop music catalogs are forthcoming and he has many ideas for the expansion of the company, such as the opening of a music publishing section, the release of the Interdisc name as a new record label, featuring popular material, and maybe of Italian derivation, and lastly the publication of jazz material on 45 RPM's.

## BRAZIL

Musidisc just released four Connie Francis' albums at the same time. They are: "More Italian Favorites," "Songs To A Swinging Band," "Connie Francis Sings Jewish Favorites" and "Connie Francis At The Copa." Connie's first releases here were marked by big public's enthusiasm and Musidisc expects very good sales on all these releases.

After a successful experience in the 33 Compact's field, Musidisc issued last month many of 7 inch 33 records. The fight around here is against the 45 RPM records, singles or EP's, sales of which never reached a high level, with some exceptions, of course.

RGE Records August releases includes a new album by the Brazilian singer Miltinho, entitled "Miltinho E Samba" (Miltinho is Samba) with twelve very well selected sambas. The main quality of Miltinho, is undoubtedly his rhythm, clearly proved in this new album. Under the Dot label, RGE issued Lawrence Welk's "Yellow Bird" LP. Naturally they're trying for better sales than Welk's "Calcutta" received a few months ago. We're talking about the album, since the single reached the highest positions in our Best Sellers charts.

RCA Victor's releases of the month brought to the Brazilian public an album with the vocal group Titulares Do Ritmo—a very unusual sextet formed by six blind men, with an extraordinary musical sense. The Titulares Do Ritmo are very well known throughout Brazil and some other Latin American countries, which they visited in successful tours. All vocal arrangements are made by the group. Another album with great possibilities is Elvis Presley's "Something For Everybody," with the original soundtrack of 20th Century Fox picture "Wild In The Country." Elvis has an enormous popularity here and this new album will sure be another hit.

Betinho is a teenage Brazilian musician and composer. He has a rhythm group with trumpet, sax-alto, piano, guitar, drums, bass and other rhythm instruments. Betinho plays guitar and Afouche (Brazilian instrument). In the last months, Betinho traveled by 70 cities, most of all in the State of Sao Paulo in a big promotion of his records, issued by Copacabana Records. Now Betinho is preparing a new album with 12 old-timers Brazilian songs in Ballard Rhythm.

Benil Santos, RGE's public relations man, had a little talk with us, about the future plans of his company. In a few days, RGE will wax its first compacts with Miltinho, Pocho and RGE Orchestra, Pat Boone, Lawrence Welk, Billy Vaughn and others.

A new album is coming from RGE: "Violinos No Samba" with Peruzzi and RGE Special Orchestra with very good arrangements of classical themes in pure Brazilian Chopin, Tchaikowsky, etc.

Mike Connors, the American TV actor, is having a tremendous success in México in theaters, night clubs, TV and personal appearances, and now with his first record, for RCA, with the Mexican song "Creí" (I Thought) and a French song, "I Wish You Love." Wherever he appears, the police have to get order because teenagers and adults mob him.

"Moliendo Café" (Grinding Coffee), the Venezuelan song which was number one in Argentina a few weeks ago, is having great demand in México, with many versions of the tune available. The last one was made by Lucho Gatica, for Musart, in a rumba style. On the other side, Lucho sings the Benidorm's winner "Enamorada" (In Love). Lucho sounds different and better than ever. Contributing to the success of this record are the Joaquin's Prieto accompaniment.

Two American standards, "Stormy Weather" and "Unchained Melody" were cut by beautiful Lety Cisneros at Vik Records under the names of "Tiempo Tempestuoso" and "Viento Huracanado." Lety is acting in a TV show with Fabricio.

The last performance by the Hi-Lo's in México was at the Jazz Festival at the National Auditorium with the participation of the Mexican's jazz combos of Chucho Zarzosa, Chilo Morán, Ricardo Lemus and Benjamín Correa and also the group of Clare Fisher, who is the pianist and arranger of the Hi-Lo's. . . . People were satisfied and the Hi-Lo's left a very nice impression in this city. And speaking about Clare Fisher, he signed a contract with RCA and finished an album in which he plays the piano with Mexican bass and drums.

"Lipstick On Your Lips" and "Cinderella" were recorded by Dyno (Musart) in Spanish. Dyno appeared for the first time on TV last Wednesday in company of Alberto Vásquez, Lucha Villa and Jorge Ortega's orchestra.

We received a post card from Venezuela from the Avileño's trio, and they wrote of the big success they are having there. The Avileño's cut exclusively for Columbia Records.

## CASH BOX BULLSEYE

"ONE MORE MEMORY" (2:10) [4-Star BMI—Stovall, George]

"BIG, BIG LOVE" (2:23) [4-Star BMI—Stewart, Carroll]

WYNN STEWART (Challenge 9121)

Wynn Stewart's back with another big potential chart entry. Tag "One More Memory" as the top side; a traditional styled upbeat country blueser with a solid beat and effective chorus chanting. Coupler, "Big, Big Love," is an interesting Cajun-oriented affair in driving up-tempo surroundings.

"THE OUTSIDER" (2:42) [Cedarwood BMI—Burch, Wilkin, Crutchfield]

"LOVE NEVER DIES" (2:30) [Lonzo & Oscar BMI—Sullivan]

BILL PHILLIPS (Columbia 42158)

Bill Phillips can steamroll his way up the charts aboard the fiery feelings he effectively expresses on "The Outsider." Tune's of a familiar country ilk but bears a magnetic syncopated beat and Phillips' tear-compelling delivery to set it apart. And don't undersell the underside: a gripping tale of woeful love tenderly caressed.

"BE QUIET MIND" (2:28) [Yonah BMI—Anderson]

"AS FAR AS I CAN SEE" (2:09) [Cedarwood BMI—Phillips]

DEL REEVES (Decca 31307)

Decca bows a new country songster and for the occasion has outfitted him with top notch material, a fine arrangement and he takes it from there with an outstanding performance on "Be Quiet Mind." Lad's style can be likened to the fervor of Jimmy Dickens but in a younger, more polished voice. "As Far As I Can See" is an attractive ballad companion piece.

JIMMY SIMPSON (Nashville 5022)

(B+) "LIFE GOES ON (I WONDER WHY)" (2:48) [Pamper BMI—Howard] The Alaskan deejay takes off on an attractive piece of weeping material and wraps it up effectively. Could create attention for Simpson.

(B+) "A YEAR AND A DAY" (2:22) [Tronic BMI—Simpson] Here, a moonshiner laments the break-up of his still and his sentence (title). Has a serio-comic flavor that could mean spins.

COWBOY COPAS (King 5544)

(B+) "IT'S A LONELY WORLD (WHEN YOU'RE ALONE)" (2:28) [Lois BMI—Copas, Stewart] From the King archives comes this years-back Cowboy Copas turn in which the vet offers his sweet, sentimental caress to an attractive, melodic opus. Could grab off play.

(B+) "DON'T LET THEM CHANGE YOUR MIND" (2:13) [Lois BMI—Stewart, Copas] Another Copas oldie, this time in the delightful upbeat manner that established his popularity. Two interesting sides.

MELVIN ENDSLEY (Hickory 1152)

(B) "STARTED OUT A-WALKIN'" (2:21) [Acuff-Rose BMI—Endsley, Endsley] Slow, rolling country blues lament is displayed passionately by the songster. Striking deck with airplay potential.

(B) "HOW LONELY CAN YOU GET" (2:45) [Acuff-Rose BMI—Endsley] Another languid lament is neatly wrapped up here. Both halves should have a big interest for Endsley fans.

PEE WEE KERSHAW (Goldband 1118)

(C+) "THAT'S HOW IT'S BEEN" (2:34) [TEK BMI—Kershaw] Brother of Rusty & Doug debuts his twangy, hillbilly vocal style on a typical dragging blues wail. Disk sound isn't too good.

(C+) "YOU'RE SO FINE" (2:00) [Acuff-Rose BMI—Kershaw] This part's most instrumental, with a harmonica getting in a few good licks, but Pee Wee's there with some OK vocalizing. Tune, not the same the while-back pop hit, was penned by brother Doug.

JACK CHAMBERS (Whispering Pines 203)

(C) "SOMETIME" (2:45) [Whispering Pines BMI—Chambers] An original tune by Chambers that bears a close likeness to the evergreen "Anytime" is smoothly warbled. I Rainbow Boys supply the instrumental support. Is there nothing original here?

(C) "DON'T BE FOOLED" (2:55) [Whispering Pines BMI—Chambers] More familiar country ballad sounds here, with a shrill voice by the singer.

JOHNNY JO (A-B-S 128)

(C) "LONELY LOG CABIN" (2:46) [Peer Int'l BMI—Singer, Hackett] A familiar melody sentimental home-sick lyric and tear-stained wail bow the doubtful merits of newcomer Johnny Jo.

(C) "WHY DO I CRY OVER YOU" (2:37) [Peer Int'l BMI—Galean, Harris, Bruno] Ditto above comments, even more so.

# COUNTRY ROUND UP

With the impending WSM disk jockey festival drawing close (November 3-4-5), the Country Music Association is moving steadily toward its promotion of Country Music Week (in conjunction with the fest). Many of you are members of the CMA and have by now, no doubt, been contacted to devote some of your free time to make this a successful campaign. All we can ask of you is to give of yourself as much as possible for the drive—it could turn out to be the organization's most important effort to date and a vote of confidence for the ideals and aims of the CMA. Everyone in the field is familiar (or should be) with the accomplishments of the organization during its still short life. This would be one way to help our industry's only formidable association.

Charles S. Brown, who, before his recent retirement from the U.S. Army was instrumental in AFN country music shows, is now managing Benny Martin as first leg in his attempt to establish himself in Nashville managing - booking - packaging circles. Charles says he's been very successful in booking Benny into Army posts and Air Force bases and could do the same for other c&w talent. Brown also intends to specialize in packaging radio and TV shows.

Scattered reports trickling in from diverse areas across the country indicate that as the flick "Marines Let's Go" gets its initial screening in local areas the Rex Allen title tune (on Mercury) is beginning to show strong on radio request charts. Allen's TV appearances on "Five Star Jubilee" are also helping. Looks like the western star is angling for a big return to disk popularity.

The RCA Victor office is currently working on a passel of new releases—many of which promise heavy action. They've got big indications for Floyd Cramer's "Your Last Goodbye," Hank Snow's "I Know," George Hamilton's "To You And Yours," Skeeter Davis' "Optimistic" and Eddy Arnold's "One Grain Of Sand." In addition, Don Gibson's LP, "Girls, Guitars and Gibson," is getting some of the heaviest concentration an album by Don has received. And Victor's also excited about newcomer Walter Forbes, a folk singer brought to the label by Beasley Smith. He's been on the "Opry" a few times and the label figures him as an important part of the office's future plans.

Shakeup at all-country KWOW-Pomona, Calif., has Tom Cross replacing Lee Richards as program director and Guy Nelson now handling all promo and publicity. DeeJay Jack Morris joined the station the first of the month. Tom Cross also notes that local talent getting good exposure via the station's nightly remotes from area clubs.

Howard Vokes and his Country Boys, back from recent dates in Kent and Warren, Conn., reports big turnouts for his shows, adding that the people up Connecticut way are really strong for country music but are on the short end as far as personals go. Howard feels that more acts should try to book up there; he'll be back as often as possible.

Rogers, Ark. is another town big on country and short on "live" music. Following an Aug. Ferlin Husky p.a. Howard Thompson had to take to the stage to promise fans that more big names are on their way. Thompson, Leon McAuliff's manager, handles area bookings. Radio KAMO and deejay

Jerry Vaughn are also instrumental in whetting local folks' appetites for country music.

Eddie Dean, while touring the Anchorage, Alaska, area, spent some airtime chatting with KBYR's Jimmy Simpson. Jimmy reports that listener telephone response to Eddie's appearance was "just fantastic." Jimmy himself has a new Nashville (Starday) release this week coupling "Life Goes On" (by Harlan Howard) with "A Year And A Day."

Songstress Ralna English (Trend '61 Records) recently appeared on the Larry Kane Show in Houston and during her performance an electrical storm knocked out the electric service in the area. Of course, the pert Miss was accused of "overloading the circuits."

George Jones, just back from dates in Arizona and Texas, is setting hard at work to stir action for his new duet date with Margie Singleton: "Did I Ever Tell You" and "Not Even Friends." If it holds true to form to most of the recent duet disks both sides should be making the lists soon. Jones has booked for the "Dixie Jubilee" in East Point, Ga., for Sept. 23, and will do Meridian, Miss. the previous night with Claude Gray.

Webb Pierce in Bradley's last week to cut some new sides for an album. The package will be made up of many of the current hits. After 10 years with Decca, Webb sails into his 11th with renewed vigor from a fantastic string of current hits. "Walking The Streets" keeps the string alive.

## The Large Scale Installation and the Smaller Coin Machine Operator

Reader response to our feature story two weeks ago (CB Sept. 9) outlining the Dave Rosen installation at the Willow Grove Bowling Lanes in Pennsylvania has been enthusiastic. As a matter of fact whenever a *Cash Box* feature appears detailing a super store, shopping center or any large scale operation within one site, mail always increases. The indication is that operators are concerning themselves with locations such as these and it is a sign of the times.

It is no secret that locations are no longer plentiful when we speak of the tavern type outlet. As a matter of fact a saturation point appears to have been reached once we look to expand as we would ten or fifteen years ago. The new location potential just isn't there.

However, once a modern view is taken, and these new type locations are looked at closely, rather than with a faraway gleam that spells out "great, but let the big operator handle it," we discover that perhaps it is the smaller operator who can better handle a bowling alley or a super market location calling for thirty, forty, fifty or more machines. On the surface, this does not seem the case. But, as we mentioned, a closer look sometimes shows that the smaller operator is better equipped in many ways to handle such a large installation.

To the larger businessman, a location this size immediately calls for additional employees to handle service, attendant responsibilities, and such. The smaller operator can extend himself and his own mechanic working additional hours each day to include the new location within the present bounds of daily routine. The complexities of setting up an installation—soliciting the owners, presenting a bid, closing the deal, and following through on the actual installation—can be handled by many distributors. Since the operator must buy a large amount of new equipment to step into such a spot, any distributor would be happy to handle the deal for the operator just as he would handle it for himself—and the distributor has the facility for this.

Dave Rosen himself, in discussing the Willow Grove location, said that he'd have handled the deal in the same manner if he were setting it up for an operator. And why not, providing the operator purchased and financed the equipment through Rosen's firm?

The operator would be wise to familiarize himself with his distributor's service facilities beyond the realm of selling new and used equipment. Evidently the trend is toward the larger location and without the help of the distributor, it is doubtful if even the highly ambitious smaller operator can compete in this area. With the distributor's help however, the operator can look to expanding into new type locations.

## Woman Operator Finds Nome Alaska Just Fine For Wurlitzer Route Despite Low Temps, High Costs

Johnnie Stephenson wearing Kotzebue, "official" operator wearing apparel for servicing Alaskan locations. Temps reach 47 below.

NOME, ALASKA—A former school teacher in Canada, Mrs. Johnnie Stephenson took over the operation of the Arctic Sales Co. route in Nome, Alaska, about three years ago when her husband, "Juke Box Steve," died. She had been helping run the route and had handled the records thru her music shop, so she was well prepared to continue the operation.

This summer Johnnie found that after servicing her phonographs, filling her cigarette machines, handling her amusement games, serving actively in the Nome Chamber of Commerce, she still had more time than was required for housekeeping, so she de-

cided to expand the route. Through her Chamber of Commerce work she has visited just about every village in a 500 mile range of Nome, and is known by just about everyone, white and Eskimo alike. She decided to include Kotzebue in her operation.

Kotzebue, the second largest Eskimo village in Alaska, is nearly 2500 miles northwest of Seattle, is above the Arctic Circle, 165 degrees west longitude (Honolulu, Hawaii is only 158 degrees west). It gets warm in summer, as much as 65 degrees when the sun is shining continuously for 36 days and nights; and in winter it gets cold, as much as -47 below during the month of darkness when the sun never rises above the horizon. Prices are high; a loaf of bread 75¢, a can of soda pop 35¢, electricity 25¢ per kilowatt hour. Menus are strange: reindeer steaks, shee fish, seal liver. Stateside meat is rare and costly; the air freight from Seattle runs as high as 36¢ per pound.

Transportation ranges from dog teams, skin boats, snow shoes, to prop-jet airliners. It is said there are more outboard motors per capita here than anywhere in the world—the only ground transportation in summer being by boat in the Arctic Ocean, and in such Arctic rivers as the Kobuk, Noatak, and Selawick. There is one steamship a year which arrives in August and carries supplies for the community. It has to drop anchor as much as 15 miles from the shallow beach, and all unloading is done by barge. Shipping an amusement game or phonograph by boat includes the double cost of ocean freight plus barge charges, so all shipments are made by air. A phonograph from the Wurlitzer Factory to Kotzebue costs Johnnie \$164.00 freight.

Johnnie presently services her route

Wurlitzer's Gary Sinclair, and Ron Pepple, Northwest Sales Co., Seattle, in doorway of Post Office "above the arctic circle" 13 feet elevation.

in Nome with her Ranchero wagon, then takes the commercial F-27 prop-jet over to Kotzebue where a taxi is used. Semi-monthly record changes for both towns are flown in from Seattle, as are all other supplies. Airborne cigarettes from Fairbanks are costly; cigarettes vend at 40¢ per package. Nearly all the phonographs are very late 200 selection stereophonic models as service costs run too high for older equipment. Collections are good because there is no TV and very little radio competition. Johnnie says she likes the Arctic, and the people, and the coin machine business... it certainly beats teaching school.

## Ted Kisil Dead

TED KISIL

SYRACUSE, N.Y.—Ted Kisil died here on Saturday, September 9, after fighting a life-long battle with a fatal blood disease. He was just 40 years of age. Kisil leaves his wife Betty and two children, Wendy 3 and Thomas 5.

Kisil was public relations manager for the Davis Distributing Corp. in Syracuse and was responsible for much of the favorable newspaper publicity which has appeared here over the years. Probably his biggest achievement was successfully publicizing the vast 1960 NY State Fair which presented the juke box industry on a level with other American businesses.

Although constantly aware of his affliction—he received almost daily medical attention—many of Kisil's associates were unaware of his condition. His death came as a shock to many. Ted Kisil was a credit to his profession and a friend to everyone who ever met him.

## Mike Anderson Takes Rock-Ola "Princess" On Pennsy Road Trip

ERIE, PENNA.—When the Mickey Anderson firm took on the Rock-Ola phonograph line last year, the "Regis" machine was just getting off the ground and the operator reception was strong. Now with the 1961 "Princess" phonograph making a name for itself, all of those 1960 sales calls are paying off for Mike Anderson, sales chief at the Anderson outlet.

Mike has been calling on the Western Pennsylvania operators during the last two months, making stops in towns such as St. Mary's, Ridgway, and Wilcox, (see pictures) talking

with local operators who represent the foundation of Mickey Anderson's phono sales.

Results have been better than last year according to Mike, who returned last week after meeting with Frank Mitchell, Rock-Ola sales manager, who joined him on the road. Mitchell makes it a point to get out with distributor salesmen as often as possible. "That's the reason our sales have been increasing—Rock-Ola distributors work hand-in-hand with the factory," stated Mitchell last week after completing a Pennsylvania trip.

VISITING OPERATORS in various Pennsylvania towns, Mike Anderson stopped at several out-of-city operating firms and talked with (l.) Dewey Smith, Automatic Music, Wilcox; (c.) Don, Dave and Vic Aiello, Aiello Bros. Amusement, Ridgway; (r.) Joe Quatroche, St. Mary's.

## IAAPPB Show Nov. 26-29

CHICAGO—NAAPPB officials have advised that this year's Convention will be held Nov. 26-29 at Chicago's Hotel Sherman. The Intl. Assoc. of Fairs and Expositions has attracted reservations for most of the exhibit space on hand, according to NAAPPB officials. Officials also reported that the summer meet held Aug. 22-23 at Ponce de Leon Lake Park was "superb" with 100 persons attending the week-end affair.

## Counter Stools That Rock New White Tower Seats

NEW YORK—White Tower restaurant officials here advised that one of the firm's new locations in the city will be equipped with counter stools that rock. The popular hamburger chain of outlets could start a trend should the locations request juke box selections in keeping with the new style chairs. And then on the other hand, the new furnishings might pose a problem—music to rock (n roll by) or music just to rock by?

## Lee Jones Dead

CHICAGO—Lee Jones, an oldtimer in coin machine circles, passed away on Thursday, September 7, in Augusta, Georgia. Jones operated equipment in this area for many years and was very well known among Chicago factory and distributing firms. Lee Jones was associated in a partnership with the late Walter Tratsch, when the coinmen distributed coin-operated equipment.

## Royal Grand Opening Party Set With Thousands Of Dollars In Prizes

CINCINNATI, O.—Royal Distributing Company here is really "rolling out the red carpet" this weekend, just as the invitation says. The coin machine distributing firm will hold its gala grand opening shindig Saturday and Sunday, Sept. 23rd and 24th, and evidently the sky's the limit. Invitations to more than one thousand people have been mailed and from the looks of the response, just about all

of 'em are going to the weekend party.

Harold Hoffman, Royal manager, has announced that "thousands of dollars" in prizes will be given away free to guests, and he isn't kidding. A prize will be awarded every hour on the hour to a lucky winner. Three names will be drawn from a hat—all three contestants play off on a Midway gun, a Bally bowler, a Williams pingame, a Chicoin shuffle, a Gottlieb pingame or any one of the fourteen lines handled by Royal. High score gets the big prize—a toaster, stereo record player, electric clock, outdoor grill, or any one of dozens of high quality top priced appliances. "The gals will love it," said Hoffman, and so will the kids, evidently. A large supply of kiddie rides have been brought in to keep the tots busy while mom and dad enjoy the Royal hospitality. Balloons, ice cream and soda will also help keep things under control.

Representatives from every factory doing business with Royal had already confirmed reservations for the Cincinnati trip and many friends from across the country have advised that they will attend the function which will be held in the firm's 3000 square foot showroom. Royal's warehousing facilities at the new address total 22,000 square feet.

The Royal Distributing Company officially bought the Cincinnati assets of Southern Automatic Music Company several months ago and brought its total number of factory lines handled to fourteen. The firm was established in 1946.

## Ed Ravreby Dead At 64

BOSTON—One of the most well-known coin machine men in the business died last week when Ed Ravreby succumbed to his fourth heart attack. He was 64 years of age.

Ravreby retired in 1959 after more than thirty years in the coin machine business dating back to 1931 when he and his brothers Albert, Jack and Arthur formed the Owl Mint Machine Company and distributed coin machine lines for Chicago factories.

Ravreby, a colorful figure for many years, operated and distributed coin-operated machines during his long tenure in the business and also owned and operated several arcades in New York, Hartford, Portland and other New England towns.

In 1944 Ravreby went into a distributing business without the association of his brothers and formed Associated Amusements, handling leading music and games factory lines. He operated the firm and various routes until 1959 when he suffered a heart attack. Ravreby retired then from business and remained retired from coin machine interests up to his fatal attack suffered on Monday, September 11, while the coinvet was attending synagogue services celebrating Rosh Hashanah.

Ravreby leaves his widow Dorothy, brothers Jack; Arthur, who is currently in the vending machine business; two sisters Pearl and Augusta; his daughter Ruth; and two grandchildren, Shelley and Paul. Dick Mandell, owner of the International Vending Corp., Rock-Ola distributors in New England, is the son-in-law of Ravreby, married to Ed's daughter Ruthie.

Ed Ravreby will be missed by count-

## Philip Morris Will Mfr. Western Europe's Top Selling Cig In Reciprocal Agreement Which Will Introduce French To PM's Parliament Gauloises Account For 60% Of French Sales

NEW YORK — France's famed Gauloises cigarettes, the largest selling brand in France and all Western Europe, are for the first time being manufactured in this country and are now entering coast-to-coast retail distribution at United States prices, it was announced last week. Philip Morris Inc. is the major United States cigarette manufacturer licensed to produce and sell Gauloises (pronounced "Goal-waz") here under an unprecedented agreement with the Regie Francaise des Tabacs. The Regie is the French Government's official Tobacco Administration for all cigarette manufacture and distribution in France.

"Philip Morris Inc. is proud to be the United States firm selected by the Regie for this first license authorizing manufacture of a French cigarette in the Western Hemisphere," Philip Morris President Joseph F. Cullman, 3rd, said today in Paris, in announcing the precedent-breaking international commercial pact.

The Philip Morris-Regie pact, authorizing manufacture of Gauloises in the United States and of the Parliament brand in France, was hailed in Paris as the initial launching of "truly international brands" by Cullman and M. P. Grimanelli, Director-General of the Regie, in their joint announcement of the agreement from the 984-foot Eiffel Tower.

Simultaneous with the introduction of Gauloises in the United States, French production and distribution of Philip Morris Inc.'s Parliament brand, U.S. recessed filter cigarette, are proceeding under a Philip Morris Inc. license to the Regie. The pact thus provides for "the very first production in France of any American cigarette," George Weissman, Chairman of the Board of Philip Morris International, said.

"World travel by millions of Americans and Europeans," Weissman said, "has created the international tastes which Philip Morris and the Regie plan to meet with these first international brands."

"The Gauloises cigarettes now being manufactured in our modern Richmond, Virginia factories," Weissman said, "are identical in all respects with the original Gauloises which have enjoyed such a remarkable success in France and across the Continent for the past half-century." As the sales leader of France and Western Europe, Gauloises have become a byword for cigarette satisfaction and smoking pleasure on the Continent," he added. Gauloises account for 60 per cent of all cigarettes sold in France and have total annual sales of 25 billion units.

Gauloises today are sold in 70 countries around the world. Gauloises were first introduced in France under their present brand name on April 25, 1910, having been marketed under a variety of names during much of the 19th century.

The retail price for the Philip Morris-manufactured Gauloises will "be within two cents of the U.S. popular price range," Mr. Weissman said, noting that this was a reduction of over 35% from the price at which the brand sold as an import.

Robert S. Gordon, the Philip Morris Inc. Brand Manager here for Gauloises, noted that "United States tobaccos have traditionally been an ingredient of the unique Gauloises blend in France." Gauloises "as the brand is now produced in Richmond," Gordon added, "contain the exact French blend, combining a dozen individual top-quality tobaccos, which undergo a special French roasting process which is the key to the cigarette's special quality and flavor."

Packaging for Philip Morris Inc.'s Gauloises also will be identical with the soft-packs in which the half-century old brand is sold across the Continent. Popularly known in France as "bleus" ("Blues"), the Richmond-made and packaged Gauloises will feature the well known winged Gallic helmet with crest which symbolizes the brand in Europe.

"Doubled imports of French cigarettes in the past two years," Mr. Gordon noted, "evidence the increasing demand for Continental cigarette flavor in this country."

The Gauloises Brand Manager stated that "the new surge of popularity for French products in the United States had been an important consideration" in Philip Morris Inc.'s decision to manufacture the brand domestically, making it available for the first time at U.S. prices. "French wines and fashions, French cuisine and haute couture—all are playing a larger and more significant role in this country than ever before," Mr. Gordon said. "Our Gauloises cigarettes combine the French flair and zest for distinctive flavor with the high quality standards traditionally maintained by Philip Morris Inc."

Shipments of the special Gauloise blend have been arriving from France in Richmond since August 8th. The brand now is available at retail in selected major markets throughout the United States, Gordon reported.

GAULOISES, the top European cigarette seller will be available to operators and retail stores in U.S.

### Rudd-Melikian Goes Public

NEW YORK—The Rudd-Melikian, Inc. firm went public last week with a new issue offering of 130,000 shares of common stock priced to sell at \$10 per share. The stock will be traded in the over-the-counter market.

## Macke Acquires Stauffer

### Penna. Vending Firm Will Add \$1.5 Million To Sales

WASHINGTON, D. C.—Aaron Goldman, President of Macke Vending Company, this city, announced that negotiations have been completed for the acquisition of Stauffer Vending Company of Lancaster, Pennsylvania, through an exchange of stock, the amount undisclosed. This will add over \$1,500,000 to Macke's annual sales.

"Stauffer Vending Company has held a solid and well diversified position in the vending industry for the past 25 years," said Goldman. "We regard this company as one of the best situated to take advantage of the growing demand for complete vending service in one of Pennsylvania's fastest growing industrial areas," he added.

## Univ. Match Will Combine Its Wittenborg and Currency Changer To Develop New Postal Supply Vender For Post Office Program Follows Pattern Of Adapting Natl. Rejectors Changer To Merchandise Vendors

ST. LOUIS—Automatic vending machines that dispense stamp books, envelopes, and postal cards in exchange for both coins and folding money will be fieldtested under working conditions by the Post Office Department, it was announced last week by Edward E. Harriman, Director of the Office of Research and Engineering.

The machines, developed by Universal Match Corp., will be installed on an experimental basis in Post Offices in four cities yet to be selected.

A contract for twenty of the machines was awarded to Universal Match calling for delivery of the first machine in about nine months.

The machines are developments of the Unimatchco Merchandiser Division of Universal Match and are of two types. Twelve units will accept coins only, up to \$1.25 in a single transaction. The other eight will take both coins and \$1 and \$5 bills.

Each type will have versatile vending shelves which can be adjusted to accommodate varying quantities of miscellaneous postal items.

In announcing the contract, Harriman described the experiment as "part of the department's continuing program to improve service through adaptation of proven mechanical equipment developed by industry."

Unimatchco Merchandiser Division will utilize the product developments of two Universal Match Corporation subsidiaries in producing the new unit, which will combine the Wittenborg, Inc., U.S.A. vending machine and the coin and unique paper currency mechanisms developed by National Rejectors, Inc.

The pattern of adapting the National Rejector currency changer to various vending machines has proceeded along predetermined lines ever since the changer was utilized with the grocery vending machine currently in operation in southern supermarkets. Macy's Department store has several merchandise vendors selling underwear and dry goods, which features the changer, and just last week the machine was used to exchange foreign currency at New York's International Airport.

### Keeps Cola Fizz Longer

NEW YORK—Electronic Assistance Corp. is said to have designed for bottling lines an ultrasonic machine which beams sound waves through soft drinks before capping in order to keep the soda fizzier longer. The process is said to lengthen the life of stored drinks by driving entrapped air out of the bottle before it's capped. The treatment is given bottles near the end of the bottling line, driving the air from the bottle and laying a blanket of carbon dioxide gas over and around the bottle as a quick temporary sealer just before the cap is snapped on. The system is said to sell for \$20,000 per bottling line.

### Bruder Directs Infra-Red Oven Sales To Operators

CLEVELAND—Locations that up until now offered only cold sandwiches from vending machines can purchase the "Heat-N-Eat" infra-red oven and heat the sandwiches as they are vended. That's the way Bruder & Company are marketing the oven to vending ops. Officials claim that "wherever our ovens have been placed, in conjunction with automatic feeding installations, the results have been an immediate increase of sales turnover."

The Model HE 10 handles all kinds of pastries and sandwiches and is priced at \$65. This model holds 10 sandwiches. Model HE 1000 is a semi-automatic model with same capacity. Price is \$99.50.

### From Ale To Milk?!

### British Steelworkers Keep Vendors Humming

LONDON—Reports from various industrial locations here indicate that the British laborer has found refreshment during the hard working day in vending machines located through steel and iron plants, which vend cold milk. In fact, according to reports, the brutes have decreased their intake of ale, once the Englishmen's favorite refresher, and milk sales are on the increase.

One reason given for the milk sale increase is that the cow juice is cold. Many Englishmen twenty years of age and over were reared on warm milk during the war.

### Model Acquires Earl Automatic In Penna.

PHILADELPHIA — Model Vending Company (OTC), this city, has acquired Earl Automatic Vending Co., Conshohocken, Pa., for cash and stock, according to Edward Balin, president. Model Vending will operate Earl as a division with its present personnel, headed by Lester Earl.

Earl's sales are approximately \$200,000 from operations around Conshohocken and Wilmington, Del. Its assets include a 4,000 square foot building on 1½ acres in Conshohocken, plus 200 vending machines on location.

Model Vending operates vending machines in the Philadelphia area for the retail sale of cigarettes, candies, foods, drinks, music and amusements.

The firm also distributes the Wurlitzer phonograph line in this territory.

### Industry Awaits Senate Action On Anti-Slug Bill Passed By House

CHICAGO—NAMA officials and just about everyone in the vending machine business are hopefully awaiting quick Senate action of the anti-slug legislation which sailed through the House last week (CB Sept. 16). The Bill is expected to go before the Senate as soon as it is cleared by the Judiciary Committee which has already held hearings and was awaiting passage of the amendment by the House.

The Bill was expected to go before the Senate before the end of the month.

## Chi Ops Attend Service Clinic On United Bowling Games

GIL KITT

CHICAGO—Gil Kitt, owner of Empire Coin Machine Exchange and the firm's sales manager, Joe Robbins, hosted a service school clinic in Empire's showrooms to further enlighten operators in the servicing of United Manufacturing Company's shuffle alley amusement games and coin-operated bowling alleys, Wednesday, September 13. A catered dinner was served to the operators after the school session was terminated.

The United service school session, which was conducted by Bob Jones of United Mfg., was attended by an overflow crowd of operators according to Robbins. In fact, he estimated the crowd as the largest such crowd ever to attend a service school class to his knowledge. Operators came to this city from many of the outlying areas.

Among the operators in attendance were Cliff Haney and Joe Volk, Volk Music, Madison, Wisconsin; Phil Schlaeger and Sherm Anderson, Chain 'O Lakes Amusement Co., Round Lake, Ill.; Donald Nardi, U. P. Novelty Co., Ishpeming, Mich.; Pat Cleary, Soo Coin, Soo Ste. Marie, Mich.; Ted Donley, Ed Morrell, Bob Schiller, J. Smith, Pete Petritsch and Howie Donnenberger, all of Valley Music Co., Aurora, Ill.; Jerry Thanlo, Sealcraft, Chicago; Jerry Green, Arrow Sales, Chicago; George Morley, Amusement Service, LaPorte, Indiana; Paul Edwards and Bob Becker, Rowe Amusement Co., Chicago; Don Morgan, Dependable Music, Chicago.

Other operators in attendance were: Fred Wojcik, Arcade Coin, Oak Lawn, Ill.; Frank Rizzo and Henry Fulmer, Variety Sales, East Chicago, Indiana; Larry Berke, Midwest Coin, Skokie, Ill.; Conrad Roberts, Ray Diltz and Jim Diltz, all of P. C. Diltz & Sons, Mishawaka, Indiana; Joe Nalewy, Harvey, Ill.; Ed Okulanis, Park Ridge, Ill.; Mike Angone, A. J. C. Amusement, Chicago; James Silcox, C&A Enterprises, Chicago; Bill Miller, Miller Coin, Chicago; Frank Chopnowski, Unique Music, Chicago; Don Knott, Central Mint Sales, Galesburg, Ill.; Red Lucan, Max Music Co., Galesburg, Ill., and many, many more.

Gil Kitt stated, at the conclusion of the session, that comments from the attending operators indicated that the school demonstration was "a rousing success," and that much of the servicing detail surrounding United bowling games was well received by the operators.

HAROLD LIEBERMAN

CHICAGO—C. B. (Bill) DeSelm, vice president in charge of the sales division for United Manufacturing Company, this city, advised this past week that Lieberman Music Company of Minneapolis, Minnesota, has been named to handle distribution of all United Manufacturing's products throughout the states of Minnesota, North Dakota and South Dakota.

Both DeSelm and Herb Oettinger, executive vice president, were liberal in their praise of Lieberman Music, and expressed their complete satisfaction that this appointment will mutually benefit both firms.

Lieberman Music Company's president, Harold Lieberman, stressed his, and sales manager Lou Rubens' complete satisfaction for their company's appointment by United Mfg. Co. to handle "this fine line of bowlers and shuffle alley amusement games throughout our wide territory."

"We will certainly be delighted to have the United line available for our operators in Minnesota, and North and South Dakota," Rubens said in conclusion.

## Eastern Flashes

Not much to report on this past week simply because 40% of the work-week in the New York coinrow area was devoted to celebration of the Jewish New Year. Monday and Tuesday were holidays and Tenth Avenue shut down from one end to the other. There were a few service people in the rear of some showrooms we're told working mostly on reconditioning and refinishing, but wholesalers advised us beforehand that the showrooms would be closed for business on the first two days of the week.

Business around the nation was picking up after the Labor Day finish to summer and it's amazing how similar conditions are from one end of the country to the other. Same equipment in demand, same equipment laying idle, same collection problems, and same optimistic reports when the conversation turns to vending.

Speaking of vending, it's a wise distributor that peeks his nose into this business if he isn't already knee deep in merchandise machines. No problems here, except for the standard sales-supply-demand-price obstacles, but to quote one vending machine distributor—"We are able to conduct this portion of our overall sales on a more business-like basis."

Have you read about the vending machines dispensing cartons of cigarettes (CB Sept. 16) in supermarkets? They've managed to replace this portion of the grocery line within the stores and you can bet it isn't the first item of hundreds to eventually go into vending machines both inside and outside the superstores. Universal Match is leasing the units to the supermarts.

Model Vending, in Philly, Wurlitzer distribs, are also a good sized vending operating firm and recently bought out Earl Automatic Vending for cash and stock. Ed Balin, president of Model Vending, advised that they will operate Earl as a separate division.

Stand by for the French cigarette favorite—Gauloises—to be distributed here by Philip Morris (see separate story). The French cig is sold in 70 countries and accounts for 60% of sales in France. In trade, France will distribute Parliament cigs for PM.

Now that the currency exchanger is working out for Universal Match, the National Rejector machine is being placed on stamp vendors for use in post offices throughout the country. Four cities will initiate the move. Machines will be leased. Bally's big "Bowler" reportedly taking off in many territories. Runyon Sales here is doing a big job with the bowler and according to "Shugy," the operator who doesn't consider opening a large scale miniature bowling establishment with the machines is missing a good bet.

We were all sorry to learn of Ted Kisil's death last week after the Davis Distributing PR man fought off the dreaded blood disease for so many years. Ted was a sincere person who enjoyed much success in his field—calling on the press in order to gain favorable publicity in the news columns. This he did with a professional style that spelled class—and you could always rely on the facts from Ted, a necessary part of every good public relations man's approach to his job. Ted leaves his wife and two children. He will be sorely missed in this corner.

Mike Anderson, Mickey's son, took to the road with Rock-Ola's "Princess" and did a bang-up job (see picture story elsewhere). The music machine is earning a big reputation for itself according to Mike, and salesmen like him are one of the reasons. Williams has a new pingame on the market "Skill Ball" and the emphasis is on skill, just as you guessed! . . . Art Rutzen, working out the details on the National Automatic Vending Co. deal in Toronto where he has assumed exec v.p. duties after leaving Wurlitzer last June. The firm expects to increase its 2500 vending machine routes to a 7000 total before the year's end with several purchases.

Si Redd, Redd Distributing, Boston, happier than ever now that he's sure he's going to hold onto the Bally Coffee Vending line. Si has a one-two combo in the Seeburg iced drink machine and the coffee unit. Now that Seeburg has bought the Bally machine rights, Si's in a stronger position than ever—he handles both lines! John Bilotta, Newark, N.Y., still selling up a storm with the Wurlitzer "2500" phono and the Smokeshoppe cig machine plus a big entry in the "Bally Bowler." . . . Dick DiCiccio, Westchester Amusement, celebrating his 25th Wedding Anniversary, Sun., Sept. 17th, with a shindig at the Westchester Town House. More than 100 people will attend the coinmen's gala party.

Mike Munves getting a long list of used equipment together for a fall sale while Joe contemplates winter road traveling. The firm enjoyed a wonderful summer season this year.

Irv Holzman, United East Coast Corp., happy over the way sales are moving on United's new "Viking" shuffle alley. . . . Al Simon reports similar action on ChiCoin's "Triple Gold Pin" shuffle alley. Al D'Inzillo tells us the Rock-Ola phono is stirring up lotsa attention from games ops as they drop by to check amusement equipment. The phono now sports a snap-in panel for displaying the artist's pic. A merchandising feature that is now on every new machine produced.

The new Runyon store front ought to be approaching near-completion stages as the week comes to an end. The stainless steel front looks real sharp and sets off coinrow just fine. The avenue never looked better now that Munves, Holzman, Simon and Runyon all have the modern frontpiece. A postcard from Myron Sugerman, in Antwerp, advises that he is aiming to "fill up the pier pictured on the reverse side of this card." As Myron wrote the card, he told us that the pier was "only half-filled!" with coin equipment, of course. Don't come back till there's not enuf room for a skinny shuffle alley, Myron!

Didn't get to see Abe Lipsky, Libra, this week but after the August business his firm enjoyed, we're sure he didn't have time to sit and talk anyway. Export biz is also picking up for this wholesale firm.

Meyer Parkoff and Murray Kaye have a good thing going in the Seeburg drink machine and the phono is doing right well too. Reports from Chicago have it that Seeburg will exhibit its new candy and pastry venders along with a milk machine in Oct. We're looking forward to attending the NAMA convention. Always loads of new machines to see and new ideas to go along with them.

## Chicago Chatter

Local coinmen are simply delighted over pending anti-slug legislation. This happy situation didn't come about accidentally. It is the result of the combined efforts of many firms and was ably spearheaded by the National Automatic Merchandising Assn. (NAMA) and its executive director, Tom Hungerford. . . . To coinmen everywhere:—Time's running out, and unless this nation's operators, manufacturers and distributors declare themselves in favor of a good, strong public relations, program now, the Coin Machine Council will just have to fold up and simply offer its regrets. It is ironic that this industry—above all else—would show such a lack of interest in PR. The council has done an exceptional job for the coin machine trade. For your sake—support it! Operators send in your \$10 checks to CMC headquarters, 75 East Wacker Drive, Chicago.

Automatic Canteen board chairman Frederick L. Schuster last week upped Robert P. Wilson to a well earned vice presidency at Automatic Canteen. Bob, a 26 year veteran of the company, was previously vice prexy and general manager (since 1956) of the Canteen Company, a subsidiary. . . . Now that the

beautifully designed and excellently engineered big ball "Bally Bowler" is being shipped to Bally's distributors around the nation, acceptance, we're told by Herb Jones, Bill O'Donnell and Art Garvey, is phenomenal. All distrib is raving. Bowling great Buddy Bomar adds his raves by acclaiming the "Bally Bowler" "the most realistic coin-operated bowling game I've ever played."

United Mfg's. Bill DeSelm happily announced last week that Lieberman Music in Minneapolis was appointed to handle distribution of United's products in the states of Minnesota, and North and South Dakota. The firm is headed by prexy Harold Lieberman and sales manager Lou Ruben. . . . Williams Electronic president Sam Stern and sales chief Jack Baigelman announced the release to the trade last week of Williams' new "Skill Ball" pinball amusement game. A new innovation in this game is "extended play," wherein the player thru skill can add extra balls to his game.

The action on Rock-Ola's new compact, low priced coin-operated phono is hectic these days, according to Ed Doris, exec. veepee. Also, ad director Ralph Wyckoff tells us the new Rock-Ola "Featured Star" panel (optional on the phono) is receiving wide acclaim from music operators everywhere. Sales director Frank Mitchell popped in and out of town again. Les Rieck is making his rounds thru the midwest calling on Rock-Ola distrib. . . . Popular coin machine distrib Hymie Zorinsky longdistanced his Rosh Hashona greetings from his office at H-Z Vending & Sales in Omaha.

Attendance records were broken at Empire Coin Machine Exchange last Wednesday (Sept. 13) when owner Gil Kitt and sales chief Joe Robbins hosted a service school session on United Mfg's. bowling and shuffle games. The school was conducted by Bob (Big Bob) Jones. Other Empire Coiners on hand were Jack (Bottles) Burns and Bill Herbord. . . . Sol Gottlieb, the happy bridegroom, returned to the city after his exciting wedding to Gladys Kohan of Boston. Sol and his lovely bride will shortly spend a little time in California visiting, and then enplane to Miami Beach, where they'll make their residence. Dave Gottlieb, prexy of D. Gottlieb & Co., and another brother, Manny Gottlieb, attended the nuptials, which were performed by the celebrated Dr. Pearlman of New York's Emanuel Temple. Nate Gottlieb and Alvin Gottlieb and their families were unable to attend.

Bally's Herb Jones passed along bad news that coinvet Lee Jones no relation died in Augusta, Georgia Sept. 7. Lee, who was formerly associated with the late Walter O. Tratsch, was also a distrib in Chi for many years prior to his retirement. . . . Tom Sams, vice prexy, AC Automatic Services, AMI Division, avid commuter between the plants in Grand Rapids and the Merchandise Mart offices of Automatic Canteen in Chi, relates that the business pickup is already quite heavy and all AC eyes are focused on an excellent Fall season. Among the AC brass who harbor similar views are prexy Joel Kleiman and vice presidents Dean McMurdie, Jack Dunwoody (who heads the Rowe vending division), and background music chief Don Lundy. Rowe-AMI's Bernie Shapiro tells us he is so busy these days he is somewhat a stranger in his own home.

World Wide Distribs (crossroads in the midwest for Seeburg coin-operated phonos, background music systems and vending equipment) is enjoying what World Wide prexy Joel Stern calls "excellent Fall business" these dampish days. The entire World Wide staff—including sales chief Len Micon, Fred Skor, Howie Freer and Art Wood—is kept very active selling Seeburg products to area-wide operators. Diversification is a living fact at W.W. . . . Joe Kline and Sam Kolber of First Coin have been huddling for some time during this past week, and although our guess is a mite better than yours (we know something), we'll just have to pull in our horns a while. Meanwhile the action is increasing considerably at First Coin.

The entire staff at NAMA headquarters "cut a cake" last Thursday, Sept. 14, to celebrate NAMA's 25th birthday. Attendance was very heavy, and a good time was had by all. . . . We received a wire from Paul Huebsch, vice prexy of J. H. Keeney & Co., wishing all his Jewish friends a happy (Rosh Hashona) New Year. . . . Joy reigns supreme at J. H. Keeney & Co. since the surprise appearance last week for "business as usual" of Keeney president Roy McGinnis. Roy looks very chipper and he assures us he feels great. Naturally Paul Huebsch echos the feelings of coinmen everywhere when he says—"it sure is great having Roy back in his office after his lengthy illness. He didn't waste much time in getting back into full swing in company business."

Nate Feinstein, Atlas Music, who is simply delighted over operator reaction to AMI's "Top Talent Tunes" good music program, sends along his new list of record hits. Available artists on list are: Ray Charles, Peggy Lee, Ray Anthony, Nat Cole, 4 Freshman, Frank Sinatra, Kay Starr, Hank Thompson, Paul Weston, Brothers 4, Mills Bros., Pete Fountain, McGuire Sisters, Ernest Tubb, Red Foley, Webb Pierce, Brenda Lee, Gloria Lynn, Gordon Jenkins, Russ Morgan, Buddy Morrow, Patti Page, and many others.

I see by the papers:—Report from the U.S. Post Office Dept. that automatic vending machines that operate with either coins or currency will be installed in Post Offices for dispensing stamp books, envelopes and postal cards. This innovation will first be placed in P.O.'s in four cities yet to be selected (See Separate Story). . . . Bill Weikel, sales director of Fischer Sales & Mfg. Co., just returned to his McHenry, Ill. offices from a visit at the factory in Tipton, Mo. with prexy Ewald Fischer and other plant execs. Ruth Weikel recently spent some time in the hospital for minor surgery. Bill leaves shortly for Cincy where he will be on hand for the Grand Opening of Joe Westerhaus' new Royal Distrib headquarters.

Chet Gore is delighted about having coinvet Frank Mencuri in a top sales capacity at Exhibit Supply. . . . Business is really increasing by leaps and bounds at Marvel Mfg., according to Estelle Bye. The big action these days is in phono plastic replacement parts. . . . A giant (in unison) Jewish New Year greetings to all from Hank Ross, Marcine "Iggy" Wolverton and Ralph Sheffield, Midway Mfg. On the business side, Ralph items that Midway's "Rife Gallery" is shooting its way to a top sales position in many markets.

Very since Rosh Hashona greetings were extended to "my many, very good Jewish coin machine friends everywhere" by genial Johnny Frantz, prexy of J. F. Frantz Mfg. Co. Johnny assures us that by the time the next NAAPPB convention and exhibit rolls around late next November he'll have a surprise amusement game out for the trade. . . . We're anxious to hear from Sam Berger, who recently formed the Dynaball Co., to distribute coin machine parts, in Skokie, Ill.

Williams Releases "Skill Ball" Pin

CHICAGO—Since the growing incentive in pinball play moves ever closer to skill shooting, Sam Stern, president of Williams Electronic Manufacturing Corporation of this city, feels very strongly that he has introduced to the trade a very strong sales competitor last week in Williams "Skill Ball" pinball amusement game.

Within the beautifully designed cabinet Williams engineers have built in a series of innovations; which, according to sales chief Jack Baigelman, "will assure us of a very hefty and healthy sales program during the new Fall season, and thereafter."

"Foremost in 'Skill Ball'," Baigelman said, "is Williams' new 'extended play' feature. In this innovation the player starts with the usual five balls, and then his skill shooting adds extra balls to his game."

Additional features in "Skill Ball" include Williams 'moving target'; which also adds bonus balls, and scores 100 points, when the lighted 'arrow' on the playfield points to a selected number. Lighting all six selections on the playfield adds one additional ball.

SAM STERN

The exciting scoring potential is further increased when a ball goes over the right-top rollover button. This action lights the red hole and red kicker bumper on the playfield. Likewise, a ball sent over the left-top rollover button lights the green hole and green kicker bumper, increasing the scoring potential. A ball in the red or green pocket on the playfield when lit spots corresponding 1-2-3 selections on the light-box.

Other interesting features in "Skill Ball" include: The top rollover lanes determine selection. Advancing buttons move 'arrows' one space. Scramble bumpers move 'arrows' five spaces. There is also an adjustable high score for the extra ball.

"We believe that the exciting new innovations in 'Skill Ball' makes available to operators just the type of amusement game they require to draw potentially high earnings to the cash box during this new Fall season," Stern said in closing.

The Fall season is traditionally a period of good business for the coin machine industry generally, and operators and distributors feel that Fall '61 should be no exception. . . . ## Buddy Bomar Bowls On Bally Bowler (Whew!!)

CHICAGO—When Bally Manufacturing Company decided to go ahead with a big ball bowler the size of "Bally Bowler" they had already completed a thorough research program which turned up the necessary information to get the coin-operated amusement machine off to a running sales start.

One of the big questions asked was—"What will a bowler think of the pin action and the scoring?"

Well, many an amateur bowler tried his hand at the "Bally Bowler" dur-

ing its final production stages but Bally officials wanted to hear the voice of a real bowler, a champion. So, Buddy Bomar (pictured above) famed international bowling star, was approached and dropped by the Bally plant. After one complete game (during which he bowled a dazzling 287!) Bud had this to say "The 'Bally Bowler' has about the most realistic bowling I've seen, outside of a real bowling alley." Perhaps that's the reason for the game's success, according to distributor sales reports.

# Boost Bowling Profits!

Photograph shows true bowling performance of new Swivel-Action Pins. Ball drives No. 1 Pin sideways to hit No. 3 Pin, which in turn will take out No. 6 and No. 10 Pins. BALLY BOWLER full-round pins fly in any desired direction, depending on angle at which ball hits pins or pins hit pins, exactly as in real bowling. Action is one hundred per cent mechanical response to impact of ball against pin or pin against pin—without electrical roll-overs—without magnets—without dangling chains. Hit pins are cleared off the alley with the snappy speed of real pins on a real alley—resulting in fast play, fast earning-power.

SCORING is by official bowling rules.

**BALLS** (3 supplied with each bowler). hard rubber, 4½ in. diameter.

**DIMENSIONS:** 16 ft. long, 41 in. wide. Length may be increased to 21 ft. or 26 ft. with easily added 5 ft. alley sections.

**STANDARD COIN MECHANISM** is 15 cents a game, 2 games for a quarter, but is readily convertible to straight dime play.

**HIGH SPEED TOTALIZERS**, proved perfect in thousands of Bally games, are standard equipment.

**AUTOMATIC BALL-RETURN** is fastest, smoothest ever built into a bowling game.
